PROJECT TITLE: Dingley Spice Building Ebike Change of Use Project

LOCATION: Old Sacramento State Historic Park **COUNTY:** Sacramento

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT: Project proposes to convert a portion of the first floor of the historic Dingley Spice Mill Building in Old Sacramento State Historic Park to accommodate an Ebike concession to provide alternative transportation sources to visitors to the park. The converted space will measure approx. 551 SF. Work will:

- Drill three (3) holes into the interior historic brick wall;
- Drill eight (8) holes into the non-historic plaster ceiling and into the historic wood second floor joists;
- Install a fire sprinkler suppression system;
- Build a removable new partition wall with a one-hour fire rated door;
- Fit the existing non-historic store entrance doors with ADA automatic door openers; and
- Install push button controls for the automatic door openers at the front entrance of the building.

All work will be done according to the Secretary of the Interior Standards for Rehabilitation.
