PROJECT TITLE: Sewer Lift Repair and Replacement Project

CONTACT PERSON: Heidi West
One Capitol Mall, Suite 500
Sacramento, CA 95814

PHONE NO.: (916) 445-8783

PROJECT LOCATION: Clear Lake State Park, Lake County

PROJECT DESCRIPTION: The Department of Parks and Recreation proposes to repair or replace seven of the existing sewer lift stations in the sewage collection system at Clear Lake State Park. The sewer lift stations service park facilities such as restrooms and showers, and together remove sewage waste from the park. The following is a brief summary of project work.

- Replace existing below-ground sewage lift vaults, pumps, and electronic controls with new sewage lift vaults and equipment.
- At the site of each lift station, install a new above-ground concrete pad and fiberglass cover to house above-ground piping and control panels. At LS-2, 4, 5, 7, and 8, install a second concrete pad to house a new electrical transformer and emergency disconnect equipment.
- Replace and raise concrete pads for control panels and replace and raise vault lids in place to avoid flooding during high water events.
- Replace electrical connections at the seven sewer lift sites and install new transformers and electrical disconnect equipment for LS-2, 3, 4, 5, 7, and 8. In addition, replace and upgrade approximately 2,400 total feet of electrical wiring to LS-2, 3, 4, 6, and 8.
- Install a new telemetry system with a radio antenna adjacent to each of the seven lift stations, at a repeater station, and at a control panel near the entrance station to allow lift stations to operate in conjunction with one another.

This is to advise that the California Department of Parks and Recreation has approved the above project on 9/14/07, and has made the following determinations regarding the above described project:

1. ☒ The project will not have a significant effect on the environment.
   ☐ The project will have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
   ☒ A Negative Declaration was prepared for this project, pursuant to the provisions of CEQA.
3. Mitigation measures ☒ were ☐ were not made a condition of the approval of the project.
4. A Mitigation reporting or monitoring plan ☒ was ☐ was not adopted for this project.
5. A Statement of Overriding Considerations ☐ was ☒ was not adopted for this project.
6. Findings ☒ were ☐ were not made pursuant to the provisions of CEQA.

This is to certify that the final Mitigated Negative Declaration and record of project approval, is available to the General Public at the California Department of Parks and Recreation, Northern Service Center, located at One Capitol Mall, Suite 410, Sacramento, CA 95814
