Government Code Section 11349.6

OAL File No. 07-0326-02 C

This certificate of compliance makes permanent the emergency regulations that deal with local assistance grants, grants to nonprofit organizations and education institutions, and cooperative agreements with federal agencies and federally recognized Native American tribes by the Off-Highway Motor Vehicle Recreation (OHMVR) Division of the Department of Parks and Recreation. These regulations will govern applications submitted on or after January 1, 2007. The regulations include definitions, application requirements, types of projects, and specific application and content requirements for the individual projects, environmental impact reporting requirements, wildlife habitat protection program (WHPP)/habitat management program (HMP) and soil conservation requirements, match requirements, and accounting, audits and annual performance reviews. This regulatory action also incorporates by reference the Off-Highway Motor Vehicle Recreation Division Manual for Grants and Cooperative Agreements Program (April 2007) ("Grants Program Manual"), which includes among other regulatory provisions: application instructions, application evaluation criteria and point scoring system, approval of applications, project administration procedures and forms, and a glossary of terms. This regulatory action also includes the repeal of regulations applicable to the OHMVR grant program that were in effect prior to the adoption of the emergency regulations that led to this current certificate of compliance.

OAL approves this regulatory action pursuant to section 11349.1 of the Government Code.
