

HOLLISTER HILLS

Interpretive Event Schedule

Sunday October 16

8-3pm Outreach Trailer Lower Ranch (day use)

Join us during the 19th annual Hollister Hills Off-Road Association's (HHORA) *Youth Ambassador's Rummy Run*. Open to all ages, dirt bikes and ATVs.

Park Interpreters will be present with the awesome Outreach Trailer. Come talk to us about everything Hollister Hills, wildlife, geology, safety, park history and more!

For more information about the Rummy Run, how to participate, cost, etc, visit: hhora.org. All proceeds benefit the San Benito County Child Protective Services

Mountain Lions, or Cougars, have a large range from 60-100 square miles. Hollister Hills is a large park, so we have at least a couple of Mountain Lions that call this park home. But don't worry, you have a better chance of being struck by lightning than being attacked by a Mt. Lion.
