

CONDOR CLASSIC BICYCLE RIDE

On Saturday, October 10, 2009, 8am to 5pm, Hollister Hills SVRA will be hosting a road pit stop for the Condor Classic Bicycle Ride along Cienega Road near the Hudner entrance gate. As part of the parks outreach efforts to the local community, riders will be stopping at the pit stop to get refreshments before they continue on their 100 mile ride. There will be 200 plus bicyclists riding along Cienega Road outside of the park all day long. Please use **extreme caution** when driving along the road as well as pulling into and out of the park.
