Project Location: Oceano Dunes State Vehicular Recreation Area (ODSVRA) adjacent to the community of Oceano off State Route 1 in San Luis Obispo County, California.

Project Description: The California Department of Parks and Recreation (CDPR), Off-Highway Motor Vehicle Recreation Division (OHMVR Division), proposes to issue a special event permit for the Friends of Oceano Dunes (FoOD) annual 4th of July weekend Poker Run at ODSVRA on July 1 through 4, 2010. The event sponsor's pop-up shade structures and trailers would be placed in a portion of the camping area, which is already open to vehicle use, within a 200-foot by 150-foot area just south of beach marker post 4. The event's six commercial vendors would set-up on June 30, 2010. The six Poker Run checkpoints would be located within a large flat portion of the park that is also already open to riding. Each checkpoint would comprise a small card table and a pole with a flag and be staffed by one or two volunteers. The Poker Run is a non-timed, non-race, self-guided activity during which participants visit the checkpoints where they select playing cards to gain points for poker hands. Participants can also gain points by picking up trash in the riding area. All participants would be paid camping or day use visitors, and all vehicles would be subject to the same sound restrictions and equipment requirements applicable to all SVRA visitors. Courtesy ATV sound testing would also be offered. All speed limit and other safety and resource-protective measures already in effect at the SVRA would apply to event participants. FoOD anticipates up to 200 participants on the day of the Poker Run, Saturday, July 3, 2010 and up to 100 daily participants July 1, 2, and 4, 2010. All pre-existing ODSVRA camping and vehicle limits would remain in effect during the event.

CDPR, OHMVR Division, has determined the project is subject to review under the California Environmental Quality Act (CEQA). CDPR, OHMVR Division, is the Lead Agency under CEQA and has prepared an Initial Study and draft Negative Declaration (IS/ND) finding the proposed project would not have a significant effect on the environment.
