

# Campfire Programs

Get in Touch with your WILD side!

## Friday September 3rd: Campfire Centers at 8pm

### **Northbeach Campground:** **Movie Night! *Open Season***

Come see Boog, a happily domesticated bear, who has his perfect world turned upside down after he meets Elliot, a scrawny, fast-talking one-horned wild mule deer. They both end up stranded together in the woods during hunting season, and it's up to the duo to rally all the other forest animals and turn the tables on the hunters.

### **Oceano Campground:**

### **Movie Night! *Homeward Bound: The Incredible Journey***

Come watch the journey of three pets that are left behind when their family goes on vacation. Unsure of what happened, the animals set out on a quest to find their family. This journey across America is very dangerous, and the animals risk never seeing their family again.

## Saturday, September 4th: Campfire Centers at 8pm

### **Northbeach Campground:**

**Birds!** Come join park staff and discover the different birds that live in our parks, participate in a bird calling contest and even learn about one of the largest birds around!

### **Oceano Campground:**

**Night Life!** While everyone is sleeping, these guys like to come out to play! Come learn about the many critters that go *BUMP* in the night!
