

Ocotillo

Wells

Interpretive Schedule

Welcome to Ocotillo Wells State Vehicular Recreation Area!

This is your guide to an adventure-filled weekend.

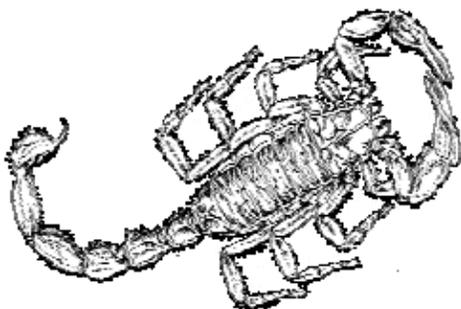

Come see live glowing scorpions and discover why the domes bubble. View the night sky through a telescope and learn about the stars. Discover OW's geology on an exciting ATV tour. Meet the massive mega-fauna that used to call OW home at our new Gnarly Beasts of the Past Exhibit. There are even opportunities to become Junior Rangers. We hope to see you there!

With winter rain comes spring wildflowers! Stop by the Discovery Center to discover this season's bloom.

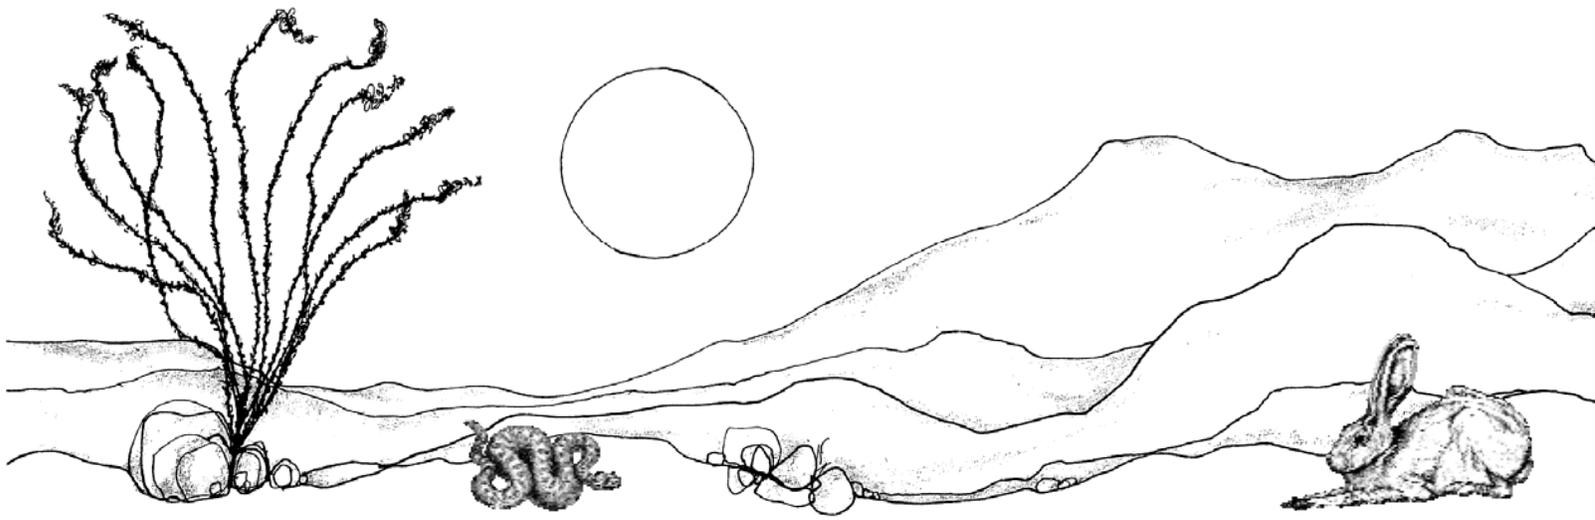

Friday, April 1st, 2011

9:00 am to 4:00 pm Desert Wildflower and Plant Display at the Discovery Center

Did you know the Desert Lily is like garlic? Or that there are mini-Sputnik's on White Rhatany? That there's a rebel in the Sunflower Family? Come find out! Explore these blooming beauties and cool facts in our new Garden and Discovery Center Walkway with a Park Interpreter. Ask away, and learn all you want to learn about the blooms going on in the Park!

The giant hairy scorpion is the largest scorpion found in the United States and can measure up to six inches in length! Their name is derived from the hairs on their legs, which can detect the vibrations of prey up to one foot away. Because of their large size, these scorpions can feed on small lizards!

Friday, April 1st, 2011

6:30 pm to 9:30 pm **Bugs! Bugs! Bugs! Program at the Discovery Center**

Come explore the wild and wonderful world of nocturnal bugs! Stop by the Discovery Center any time between 6:30pm to 9:30pm to discover some of these amazing nighttime residents. You will also get an opportunity to see a glowing scorpion. So come on by and have fun with the bugs.

Saturday, April 2nd, 2011

8:00 am to 10:00 am **Coffee with the Naturalist at the Youth Track**

Join our Park Naturalist for a free cup of fresh-brewed coffee or hot chocolate before you head out on the trail! Stop by the Youth Track on Ranger Station Rd. to enjoy a hot beverage, great conversation, and find out what exciting interpretive programs will be offered throughout the weekend.

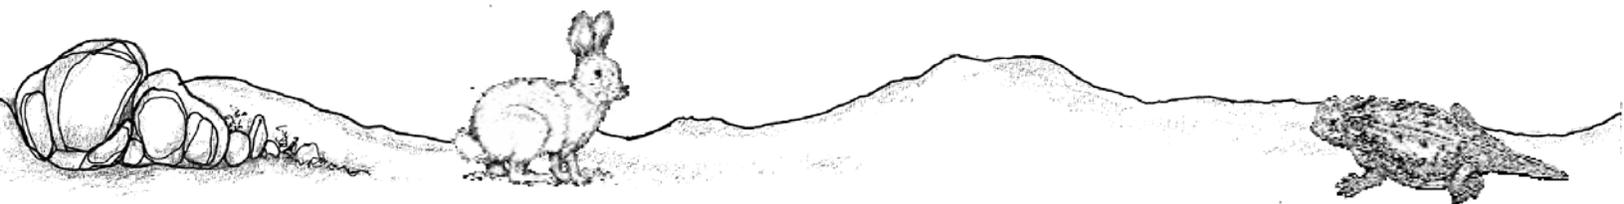

9:00 am to 4:00 pm **Desert Wildflower and Plant Display at the Discovery Center**
