

The background of the slide is a solid orange color with a white topographic map overlay. The map features several irregular, closed contour lines of varying thicknesses, representing elevation. In the lower-left quadrant, there is a compass rose with a dark blue needle pointing towards the upper-left. The cardinal directions are labeled with letters: 'N' for North, 'S' for South, 'E' for East, and 'W' for West. The text is centered on the map.

TRAILS NOW

TRAILS NOW

Stewards and promoters of the [El Dorado Trail](#)

Trails Now is a group of local trail supporters who work cooperatively with the city and county on behalf of the [El Dorado Trail](#). We advocate, publicize and strategize on behalf of the trail.

Mission Statement

Trails Now is a non-profit citizen-based organization dedicated to the planning, acquisition, construction and maintenance of the El Dorado Trail, a multi-purpose trail envisioned to reach from the Sacramento County line to Lake Tahoe. We inform and educate the public and government agencies regarding trail issues. Trails Now generates and demonstrates evidence of community support for the El Dorado Trail. We work collaboratively with local, state, and federal agencies, as well as other citizen groups and committees, to accomplish our mission of creating, maintaining and supporting the El Dorado Trail.

George H. Cardinet, Jr.
April 8, 1909-January 19, 2007

The background of the slide is a light orange color with a faint, stylized map of the world. A compass rose is visible on the left side, showing the cardinal directions N, S, E, and W. The map lines are thin and grey, and the overall style is minimalist and artistic.

The French poet and aerial path finding
pilot-France-French North Africa-South
America-1930, Antoine de Saint-
Exupery wrote,

**"If you want to build a ship,
don't drum up the men to
gather wood, divide the work
and give orders. Instead, teach
them to yearn for the vast and
endless sea."**
