Located near California's capital, and set along the American River Parkway, this year's theme -- "Building Knowledge, Building Trails" – will emphasize the connection between urban and backcountry trails; and the general oversight and management of trails. **This is a great opportunity to network with federal, state and local land managers as well as volunteer organizations.** A number of essential and specialty educational sessions, workshops and tours are planned, all with an emphasis of planning, constructing and managing trails and trail systems.

Included in the Special Student Conference Package will be the following educational sessions:

- ✚ Accessible Trail Programming, Design & Construction
- ✚ Boating Trails: Making Them Happen
- ✚ How Much Will That Trail Cost?
- ✚ I Hear That Train Whistle Blowin', Can I Still Get My Railtrail?
- ✚ How to Work with Elected Officials
- ✚ Developing Recreational Trails Opportunities
- ✚ Projecting Trail Use Impacts-Methods & Results
- ✚ I Can Find the Starbucks but Not the Trailhead!
- ✚ Volunteerism, Programs & Events
- ✚ The American River Parkway & Beyond
- ✚ The American River Parkway Experience
- ✚ Historic Folsom Walking Tour
- ✚ Trail Users Caucus-Finding Common Ground
- ✚ Successful Trails Coalitions-A United Effort
- ✚ GIS: What Is It and Why Is It Important?
- ✚ Public Access vs. Wetland Restoration, Can They Coexist?
- ✚ Social Trail Strategies
- ✚ Volunteer Crew Training
- ✚ How to Use the Press to Your Benefit
- ✚ Healthy Trails; Healthy Funding
