

Red Rock Canyon State Park

General Plan Revision

Stakeholder Workshop Instructions

Thank you for participating in this stakeholder workshop! The success of this planning effort to revise Red Rock Canyon State Park's General Plan is dependent on your input and vision. This package will help you organize and facilitate a mini-workshop with your organization or group. Please follow these instructions for a successful and productive session. The goal is to hear everything you have to say! The stakeholder workshop is easy and fun.

1

Introduce yourselves to each other and review the enclosed ground rules.

2

Watch the presentation on the DVD included in this package.

3

Identify a volunteer to take notes and summarize the discussion on the note paper provided.

4

Use the enclosed Discussion Guide questions to discuss your vision for Red Rock Canyon State Park, including issues and needs.

5

Complete your written summary and mail it in the envelope provided to: EDAW Inc., Attn: Red Rock Canyon, 515 S. Flower Street, 9th Floor, Los Angeles, CA 90071. Individuals are also encouraged to submit their own comment cards.

Package contents: This Instruction Card, Presentation on the DVD, Newsletter #1, Comment Cards, Park Map, Ground Rules, Discussion Guide, sticking dots for your comment cards, paper for your notes and summary, and an envelope to mail your summary back. You can make more copies of the comment cards if needed. Thanks again!
