PUBLIC MEETING INVITATION **CUYAMACA RANCHO STATE PARK** **GENERAL PLAN**

California State Parks (CSP) invites you to the first public meeting for the Cuyamaca Rancho State Park General Plan.

The primary purpose of the meeting is to provide an opportunity for the general public to voice their hopes and concerns about the future of this special park. In addition, CSP staff will introduce the general plan process, as well as summarize natural and cultural data gained through a resource inventory of the park.

The General Plan Team is comprised of dedicated CSP staff such as landscape architects, environmental scientists, historians, archaeologists, interpreters, rangers and maintenance staff who will be present to gather input regarding park issues of interest to you.

The Team encourages you to further participate in the general plan process by attending future public workshops, visiting the project webpage, and emailing any additional ideas and comments to the general plan team.

A General Plan is mandated for all state park units by the California Public Resources Code. The plan becomes the primary management document for a unit of the State Park System, establishing its purpose and management direction for the future. The plan does not provide specific designs or locations of facilities but does provide a vision for the park and guidelines for park use, management and development.

Meeting Location:

October 3, 2012 (Wednesday)
6:00 pm to 8:00 pm

Viejas Casino – DreamCatcher Showroom
5000 Willows Rd.
Alpine, CA 90901
