

SADDLE MOUNTAIN / HIGHWAY 236 GOALS

- Management intent is to establish a new park welcome center for primary visitor contact, park orientation and campground registration.
- Develop multi-use trail connections between Saddle Mountain, Little Basin, and the HQ area. Consider provisions for equestrian trailhead parking and staging area.
- Establish a park & ride shuttle system and metro bus stop, integrated in the development of visitor parking and support facilities.
- Protect and interpret natural and cultural resource features. Establish adequate vegetative screening and buffers between park facilities and adjacent land uses.
- Explore State Scenic Highway and National Scenic Byway status for Highway 236 within the park boundaries.
- Develop trailhead parking at locations along Hwy 236 at China Grade Road and south of Waterman Gap.
- Coordinate with Caltrans to improve signage at Waterman Gap to redirect park visitors to south entrance at Saddle Mountain.
