

PARK HEADQUARTERS / SKY MEADOW GOALS

Park Headquarters

- Management intent is to preserve and protect the old growth redwood forest and historic character of park development, and maintain access for visitor education and enjoyment.
- Preserve the old growth redwood forest, limit new facilities, and relocate some existing facilities, where necessary, to protect sensitive resources.
- Coordinate with DFG and USFWS on habitat protection and the survival of the marbled murrelet population.
- Preserve and rehabilitate historic buildings and cultural landscape elements, as appropriate. No new building construction in HQ historic area, except when necessary to replace or adapt an existing building for appropriate uses.
- Provide park shuttle and satellite parking to reduce HQ traffic during peak use periods.

Sky Meadow

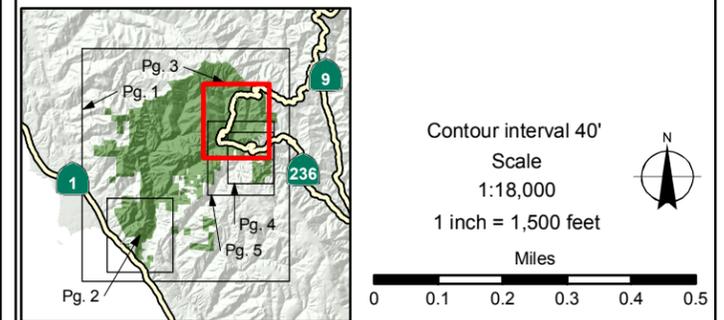

- Management intent is to continue to serve park staff housing and maintenance functions, and expand visitor accommodations while protecting resources in the Sky Meadow area.
- Preserve and interpret historic 1940s residences located in the Sky Meadow area. Continue staff housing use. Allow for development of additional trailer pads and amenities to support staff housing, as appropriate, while maintaining the integrity of the historic residential district.
