

PUBLIC WORKSHOP

Del Norte Coast Redwoods State Park Mill Creek Watershed Addition General Plan Amendment

California State Parks is preparing a General Plan Amendment for the Mill Creek Watershed Addition to Del Norte Coast Redwoods State Park. The General Plan Amendment will address future management of the property and, upon completion, will become a component of the existing Redwood State and National Park General Management Plan/General Plan.

Public input is an important aspect of the planning process. The planning team is hosting a Public Workshop to present preliminary alternatives for site use that have been developed after soliciting extensive input from the public, staff, and the Mill Creek Advisory Committee. The workshop will be held at the following time and location:

June 19, 2008
6:30 pm to 8:30 pm
Elk Valley Rancheria Community Center
2332 Howland Hill Road
Crescent City, CA 95531

Information about the planning process can also be accessed via the following website link:

We hope you will take some time to become involved in the planning process and attend our public workshop!

Sincerely,

Jeff Bomke
Acting District Superintendent
