

Tomales Bay State Park Visitor Survey of Possible New Recreational Facilities

California State Parks is preparing a general plan to guide resource management and future development at this park. As part of this planning process, we want to learn more about you as a park user and your opinions on possible future facility enhancements. **We appreciate your help!**

1. What city and state do you live in? _____
2. How many in your party? ____ If organized group, what kind? _____
3. How many times a year do you visit the park? _____

CHECK ideas you think we should consider for Tomales Bay State Park:

Possibilities in the Heart's Desire Area (See MAP on back)

- Develop a 10-20 site drive-in campground (no big RVs) in the park's maintenance storage lot
- Adapt the former "Bike & Hike" campground to a multi-use group & individual campground
- Redesign the beach blufftop picnic area to better serve group picnics & special events

Possibilities for State Park Areas along Highway 1 (on the east shore of Tomales Bay)

- At Marconi Cove: Provide day-use area with parking, restroom, educational panels, picnic facilities, and launching area for small boats and sailboards
- At Marconi Cove: Provide a 6-8 site walk-in campground for bicyclists and boaters
- Improve day-use parking and visitor facilities in the Millerton Area
- Provide new trails in recently-acquired State Park lands on the east shore of Tomales Bay

Trail Possibilities

- Improve trail connections with Point Reyes National Seashore (in Heart's Desire & Inverness Areas)
- Create segments of the planned California Coastal Trail through the park
