### 1.2 GENERAL INFORMATION

#### Site Description

Bolsa Chica State Beach is a family friendly beach located in the city of Huntington Beach along Pacific Coast Highway and extends three miles from Sunset Beach to Seapoint Avenue. A popular universal asphalt path connects Bolsa Chica State Beach to Huntington State Beach, seven miles south. Outdoor activities, sighting wildlife and bird watching are very popular. Across Pacific Coast Highway from the beach is the

Bolsa Chica Ecological Reserve, designed by the California Department of Fish and Game for preservation of coastal wetland species and their habitats.

Current activities at Bolsa Chica State Beach include fishing, biking, running, surfing, camping, use of camp fire rings, volleyball and more. Camping facilities include partial hookups (water and electricity) for 57 RV's and the campfire center. Surfing at Bolsa Chica State Beach occurs throughout the year typically near facility #13. Surfing is especially heavy during the early morning hours. There is a day use fee for vehicles entering the park and overnight fees for campers utilizing the campground. The current concessionaire operates four (4) beach stands known as facility number 13, 16, 19, and 24.

Four (4) individual concession facilities have been professionally designed and built with the concessionaire and visitor in mind, lending itself to diverse business opportunities to serve visitors of Bolsa Chica State Beach. These facilities include ample space for food service, beach rental(s)/beach/camping sundry sales, room for a camp store (facility #16), a commissary for cart storage and a catering facility (facility #24). In addition, the area surrounding facility #24 was recently renovated and designed for group picnic and special events. This area includes a catering facility to be used by the Concessionaire for non-exclusive catering opportunities. See Exhibit A, Site Vicinity Map of the Sample Contract for a map depicting the location of the facilities.

- Facility #13 the furthest south of Bolsa Chica State Beach Visitor Center/Lifeguard Headquarters is located in an area heavily used by surfers year round, from the early morning hours and throughout the day. The facility has approximately 1690 square feet of enclosed space and 200 square feet of secure outdoor storage space.
- Facility #16 is located adjacent to the campground and campfire center. The campground is usually filled to capacity from May through September and on weekends most of the year through a reservation system. The facility has been designed to serve both as a camp store and a food service facility. The facility has approximately 1690 square feet of enclosed space and 200 square feet of secure outdoor storage space.
- Facility #19 is centrally located, in close proximity to the Bolsa Chica State Beach Visitor Center/Lifeguard Headquarters, has an expanded kitchen, and a walk-in refrigerator. It is able to accommodate the most visitors on a day-to-day basis. The facility has approximately 1802 square feet of enclosed space and 200 square feet of secure outdoor storage space.
- Facility #24 is the furthest north of the Bolsa Chica State Beach Visitor Center/Lifeguard Headquarters located in an area that has been specifically designed and developed for group picnic and special event activities. Two large group picnic areas, controlled by DPR, are adjacent to this facility. Each area can accommodate approximately 100 people. DPR manages a group picnic and special event program, including a reservation system for this and other areas of the park. Concessionaire may use Facility #24 to develop a high quality non-exclusive catering operation in support of DPR's group picnic and special event

program, as well as support for catering other venues throughout the Orange County area. This facility has approximately 1160 square feet of enclosed space.

If a hearing is not so demanded or ordered, the action of the Director shall be final.

Proposers must present evidence satisfactory to the State demonstrating their ability to finance, construct, operate, and maintain the concession facilities as proposed. For the purposes of this RFP, proposers must have the ability to access a minimum of the

amount proposed to develop and operate the concession. The proposer's statement of financial capability must include the source of funding and detailed information including:

Source of funding and cost of concession development: Identify and describe the specific source of funding that the business will use to undertake the project as proposed. If funds are to be used from outside sources (i.e., parent company, third party, LLC partners, etc.), provide documentation, such as a recent bank statement, balance sheet, income statement, and/or other supporting documents, to demonstrate these funds are available and unconditionally committed to this concession project. In addition, if funds are to be borrowed to finance any portion of the total investment, proposer must provide loan commitment documentation such as a letter-of-intent from the individual, bank, or other lending entity indicating the minimum amount to be loaned and any applicable percentage rate. The loan commitment may contain the qualification that the loan will be consummated only upon award of an agreement with the State, otherwise the commitment must be irrevocable and unconditional.

Business Financial Statement: Use the Business Financial Statement to describe the current and true condition of the business' assets, liabilities, and net worth. Round figures to the nearest dollar. If the business is a partnership or joint venture, each general partner or joint venturer must individually submit a Business Financial Statement. Proposer may provide copies of forms filed with the Internal Revenue Service, where applicable.

#### **E. Credit Worthiness**

Proposers must present evidence of credit worthiness. At a minimum, evidence should include a credit report issued by a nationally recognized credit bureau within 60 days of the proposal due date and include the FICO score. Any derogatory information listed on said reports must be explained. Below average FICO scores, outstanding debts, delinquent payment history on current concession contracts, and any other derogatory information may disqualify a proposal.

#### **F. References**

Financial, client, and vendor references are used to confirm information provided by proposers and to evaluate the proposer's quality of experience and past performance. Proposers must submit at least one, but no more than three, signed reference letters to include at least one financial, one customer, and one vendor reference. Letters shall include the entities' name, business, address and telephone number. The State reserves the right to contact references for verification.

## **II. PROPOSAL INFORMATION**

Each element of the Concession Proposal is described below. Proposers may submit additional information to describe and enhance their proposal. Greater consideration will be given to statements that clearly commit the proposer to implement the elements of their plan as described below.

As a condition of the contract award, the successful proposer may be required to revise or further develop these plans to the satisfaction of the State and prior to the execution of the contract. If and when it is accepted, the final plans will be incorporated as exhibits to the contract and become an obligation of the concessionaire.

### Vision/Mission Statement

The Vision/Mission Statement should capture both the State's and proposer's goals and objectives for the concession business and provide a clear philosophy.

As a condition of the contract award, the successful proposer may be required to revise or further develop the Operation Plan to the satisfaction of the State and prior to the execution of the contract. If and when it is accepted, the final plan will be incorporated as an exhibit to the contract and become an obligation of the concessionaire.

## **B. Facility Improvement Plan**

The Facility Improvement Plan should address the following elements and meet or exceed the objectives of this RFP to provide high-quality and accessible facilities. Greater consideration will be given to those proposals that clearly demonstrate an ability to implement the plan. In addition, the successful proposer must adhere to the facility requirements as described in the Sample Contract.

Describe proposer's plan, method, and commitment to meeting the Facility Improvement Plan. Specify the timeline for completion of any capital improvements and installation of said décor and equipment prior to the commencement of operations.

### Cost Estimates

Provide a cost breakdown for the Furnishings Plan and/or Facility Development Plan.

As a condition of the contract award, the successful proposer may be required to revise or further develop the Facility Improvement Plan to the satisfaction of the State and prior to the execution of the contract. After the State's review and approval, the Facility Improvement Plan from the successful proposal shall be included as an exhibit to the contract

## **C. Rental Offer**

The concessionaire will be required to pay as annual rent a guaranteed amount (Rental Guarantee) or a Percentage of Gross Receipts, whichever is greater. Proposers shall bid both the Rental Guarantee and the Percentage of Gross Receipts as specified in the Concession Proposal form (DPR 398). For the purposes of this RFP, the Rental

Guarantee must be at least Six thousand dollars (\$6,000) per facility or fourteen percent (14%) of Gross Receipts, whichever is greater plus sixteen percent (16%) of Gross Receipts for catering services, plus one percent (1%) of annual gross receipts for maintenance. Any offer below the minimum rent requirements will result in proposal disqualification.

#### **E. Concession Feasibility**

Document proposer's ability to successfully initiate the proposed concession in a financially responsible manner, in accordance with the terms and conditions of the sample contract and the Operation and Facility Improvement Plans. This information must substantiate proposer's ability to: develop, furnish, equip, operate and maintain the concession in a high-quality manner; provide the public with quality products and services at reasonable and competitive prices; pay the State the rental offered; and provide a reasonable return on the investment. Fiscal documentation that will be considered to determine proposal feasibility includes a financial pro forma; statement of assets and liabilities; business, vendor, bank, and/or financial references; and similar documents.

### **III. PROPOSAL SUMMARY**

The Proposal Summary should summarize relevant experience, knowledge, and expertise, and the Operation and Facility Improvement Plans (as applicable) in 250 words or less.

### **IV. CERTIFICATION OF PROPOSER INFORMATION**

#### **A. Labor Law Compliance Certification**

A request may be made to the National Labor Relations Board for information regarding Administrative Hearing decisions against each proposer. Proposer must have no more than one final, unappealable finding of contempt of court by a federal court issued for violation of the National Labor Relations Act within the two-year period immediately preceding the closing date of this RFP or the proposal will be disqualified.

#### **B. Proposer Certification**

#### **C. Authorization to Release Information**

A signed authorization for each individual, partner, member of joint ventures, officer of corporations, Concession Manager, and holders of 25% or more of the company's shares (as applicable) must be included or the proposal may be disqualified.

### **V. PRIVACY NOTICE**

This section provides notice to proposers. No action by proposers is necessary.

### 3.2 PROPOSAL EVALUATION CRITERIA

#### Incumbent Preference

**5 Points**

Incumbent proposals are awarded points based on annual Performance Evaluations (See DPR 531 in the Sample Concession Contract) performed by the State as follows. The absence of Performance Evaluations defaults to a rating of “Excellent.”

Overall Rating of Evaluation	Number of Years Rating Was Received	Points Awarded
“Excellent”	3 out of last 3 years	5 points
“Excellent” with no “needs improvement” or “unsatisfactory”	2 out of last 3 years	3 points
“Excellent” with no “needs improvement” or “unsatisfactory”	1 out of last 3 years	2 points
Satisfactory	3 out of last 3 years	1 point
“needs improvement” or “unsatisfactory”	1 out of last 3 years	- 1 point
“needs improvement” or “unsatisfactory”	2 out of last 3 years	- 3 points
“needs improvement” or “unsatisfactory”	3 out of last 3 years	- 5 points

#### Small Business Preference

**5 Points**

Five points will be awarded to those proposers who have a complete and certifiable application on file with the Office of Small Business Certification.

#### Experience

**10 Points**

For the purposes of this RFP, proposers should have a minimum of **two (2) years** ~~three (3) years~~ experience owning, managing, or operating a business of similar size, type, and scope as the concession operations set forth and envisioned by this RFP. The proposer will be rated according to the years of relevant experience as verified by references and the quality of experience as it relates to the business described in this RFP. In addition, points are awarded for experience contracting with public agencies.

#### Operation Plan

**Rental Offer**

**35 Points**

For the purpose of assigning points in the Proposal Evaluation, the highest acceptable rental offer\* for each category of rent required (Minimum Annual Rent and Percentage of Gross Receipts) will be assigned the maximum points available for that category. Each lower rental offer will be assigned points in relation to the highest rental offer as follows:

Rental Guarantee (Minimum bid is \$6,000 per facility)

$$\frac{(\text{Bid Amount}) \text{ minus } (\$6,000)}{(\text{Highest Bid Amount}) \text{ minus } (\$6,000)} \times 20 \text{ points} = \underline{\hspace{2cm}} \text{ points}$$

Percentage of Gross Receipts (Minimum bid is 14% per facility)

$$\frac{(\text{Bid Amount})}{(\text{Highest Bid Amount})} \times 15 \text{ points} = \underline{\hspace{2cm}} \text{ points}$$

\*Note: the highest bids received may not be considered acceptable. Proposers may be required to prove to the satisfaction of the State their ability to operate a successful business under their rental offer. Failure to prove this ability will be cause to disqualify the proposal. In this case, the second highest acceptable bid would be used to calculate points awarded.

STATE OF CALIFORNIA  
DEPARTMENT OF PARKS AND RECREATION

**SAMPLE CONCESSION CONTRACT**

For

**Beach Stand Operation(s)**

Located In

Bolsa Chica State Beach

Orange County

THIS CONTRACT is made and entered into by and between the STATE OF CALIFORNIA, acting through its Department of Parks and Recreation, hereinafter referred to as "State," and **ConcessionaireName DBA FictitiousBusName** of **CityState**, hereinafter referred to as "Concessionaire";

**RECITALS**

**WHEREAS**, California Public Resources Code Section 5080.05 et seq. authorizes the Department of Parks and Recreation to enter into concession contracts for the operation of state park system lands and facilities and;

**WHEREAS**, it is appropriate that the following contract be entered into for the safety and convenience of the general public in the use and enjoyment of, and the overall enhancement of recreational and educational experience at units of the state park system;

**NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:**

**1. DESCRIPTION OF PREMISES**

The State for and in consideration of the agreements hereinafter stated, grants to Concessionaire for the purposes stated herein, the right, privilege, and duty to develop, equip, operate, and maintain a nonexclusive concession in Bolsa Chica State Beach at the location(s) as set forth in **Exhibit A**, attached to and made a part of this Contract (the "Premises").

The possessory interest herein given to the Concessionaire does not exclude the general public from the Premises; however, the use by the general public is limited by the terms and conditions of the possessory interest given herein. This Contract is not intended to confer third party beneficiary status to any member of the public who is benefited by the terms of this Contract. The possessory interest is further subject to all valid and existing contracts, leases, licenses, encumbrances, and claims of title that may affect the Premises.

**2. CONDITION OF PREMISES**

The taking of possession of the Premises by the Concessionaire, in itself, shall constitute acknowledgment that the Premises are in good and sufficient condition for the purposes for which Concessionaire is entering into this Contract. Concessionaire agrees to accept Premises in their presently existing condition, "AS IS," and that the State shall not be obligated to make any alterations, additions, or betterments to the Premises except as otherwise provided for in this Contract.

**3. TERM**

The term of this Contract shall be for a period of Five (5) years with a Five (5) year option to renew at State's option, commencing on the first day of the month following approval by the California Department of General Services. Should Concessionaire hold-over after the expiration of the term of this Contract with the express or implied consent of the State, such holding-over shall be deemed to be a tenancy from month-to-month at the herein stated prescribed rent as set forth in this

Contract in Section 41, Surrender of Premises; Holding Over, of this Contract subject otherwise to all the terms and conditions of this Contract.

For purposes of this Contract, the term "Contract Year" shall mean each one-year period of time that commences on the commencement date identified above, extending twelve (12) months therefrom, and continuing from each anniversary throughout the term of the Contract.

#### 4. **RENT**

Concessionaire shall pay, without offset, deduction, prior notice, or demand, as "Minimum Annual Rent" the sum of Six Thousand dollars (\$6,000) per Facility annually **or** Fourteen percent (14%) of gross receipts whichever sum is greater plus Sixteen percent (16%) of Gross Receipts for catering services, plus one percent (1%) of annual gross receipts for maintenance.

Concessionaire shall make payment of Minimum Annual Rent and other payments to State in lawful money of the United States. However, if any payment made by a check, draft, or money order is returned to State due to insufficient funds or otherwise, State shall have the right, at any time after the return, upon written notice to Concessionaire, to require Concessionaire to make all subsequent payments in cash or by cashier's or certified check.

Beginning with the fifteenth (15<sup>th</sup>) day of the month following the execution of the Contract, and on or before the fifteenth (15<sup>th</sup>) day of each month thereafter, Concessionaire shall furnish to State a verified statement of the concession's gross receipts for the preceding month. Such statement shall be submitted on Form DPR 54, Concessionaire's Monthly Report of Operation, attached hereto as **Exhibit B**, or in a format previously approved by the State, and shall specify the current period and cumulative total of gross receipts for the concession through the end of the preceding month for the then current Contract Year. Concessionaire shall also provide such statement for periods of non-operation. Concurrent with such monthly statement, the Concessionaire shall pay to State the appropriate rental fee based on the gross receipts for the preceding calendar month as prescribed above. Payments to State shall be

made to the order of the Department of Parks and Recreation and delivered to the District Office identified herein below or at such other location as may from time to time be designated by State. If, at the end of the Contract Year, the total of monthly percentage rental payments made (or due) during that Contract Year is less than the Minimum Annual Rent required for that Contract Year, the difference shall be remitted to State with the last monthly receipt statement for the Contract Year. Payments must be received by State on or before the fifteenth (15<sup>th</sup>) day of the month as described above. Any late payment shall constitute a breach of contract, giving rise to State's remedies as set forth below. Further, any late payment will be subject to a late penalty consisting of an administrative charge on the late amount, calculated at the rate of five percent (5%) of the amount of the late payment or portion thereof. The parties agree that the late charge represents a fair and reasonable estimate of the costs State will incur because of late payment. Acceptance of the late charge by State shall not constitute a waiver of Concessionaire's default for the overdue amount, nor prevent State from exercising the other rights and remedies granted under this Contract. Concessionaire shall pay the late charge as additional rent with the next monthly rent payment.

Any amount due to State, if not paid within five (5) days following the due date, will bear interest from the due date until paid at the rate of ten percent (10%) per year. However, interest shall not be payable on late charges incurred by Concessionaire. Payment of interest shall not excuse or cure any default by Concessionaire.

Upon written request by the Concessionaire to State demonstrating unusual or extenuating circumstances causing the late payment, the State, in its sole discretion, may waive the late charge. Further, in the event Concessionaire is prevented from carrying on the operations contemplated herein by reason of an Act of Nature or other reasons beyond Concessionaire's control, and when requested in writing in advance by Concessionaire, Minimum Rent may be abated in proportion to the amount by which gross receipts are reduced by the occurrence for such period of reduced or non-operation, as determined in the sole discretion of State.

If this Contract is terminated by State because of Concessionaire's default, and if Concessionaire becomes liable for any deficiency in rent and/or fees by way of

damages or otherwise, or if at any time during the Contract term Concessionaire ceases to conduct in the Premises the business referred to herein below, then from and after the time of the breach causing this termination, or from and after the time of the cessation of business, all unpaid rent and/or fees prior to the breach causing termination or cessation of business shall become due and payable. The amount due shall be deemed to be the greater of: (a) the Minimum Rent provided herein, or (b) an amount based upon the average of the payments that have accrued to State as percentage rent during the twenty-four (24) months preceding the termination or cessation of business, unless the termination or cessation occurs within three (3) years of the beginning of the Contract term, in which event the previous twelve (12) (or fewer, if applicable) months shall be used as the basis of this average.

#### **5. GROSS RECEIPTS**

The term "gross receipts," wherever used in this Contract, is intended to and shall mean all moneys, property, or any other thing of value received by or owed to Concessionaire and any sub-concessionaire or operator, if other than Concessionaire, through or in connection with the operation of the concession, including any concession related business carried on through the internet or catalog sales, or from any other business carried on or in connection with the Premises, or from any other use of the Premises, and/or of any business of any kind that uses the names licensed by this Contract, or that associates with or implies an endorsement by State, all without deduction. The term "gross receipts" shall not include any sales taxes imposed by any governmental entity and collected by Concessionaire.

#### **6. USE OF PREMISES**

The Premises shall be used by the Concessionaire to develop, equip, operate, and maintain up to four (4) concession facilities, including the surrounding plaza areas, specific to that area's visitation pattern and potential visitor use. The Use of Premises shall be consistent with the State approved Operation Plan, and Facility Improvement Plan as proposed by Concessionaire and modified by State as is reasonable and

necessary to meet the intention of the State for this concession operation and the mission of the Department. The approved Operation Plan, and Facility Plan are incorporated herein and made part of this Contract as **Exhibits G** and **H**, respectively.

At a minimum, Concessionaire shall operate as follows:

A. Provide beach and camping sundries sales and rentals, beach equipment sales and rentals, catering, and food items consistent with the desires of the general population, including, but not limited to water, non-alcoholic beverages and items typically prepared and sold at beach stands. Food items shall also include healthy food selections such as salads, fresh fruit, frozen yogurt, fruit smoothies, vegetarian products, and fruit juices, all subject to approval by District Superintendent or his/her designee. A. Concessionaire agrees to honor all statewide graphic standards, licensing, and merchandising agreements entered into with corporate sponsors of the Department of Parks and Recreation.

B. Concessionaire agrees to place on the Premises any advertising that the State approves under this program. Any advertising approved by the State under this program will be placed at State's expense.

**23. MODIFICATIONS, ADDITIONS, TITLE TO IMPROVEMENTS**

In the event that Concessionaire desires to make modifications, improvements, or additions to the Premises or any part of the Premises, including changes to structural design, required accessibility barrier removal work, landscape design, or interior or exterior fixtures, design, and/or furnishings, (collectively Alteration(s)), the approval in writing of State shall be obtained prior to the commencement of any Alterations. C. Concessionaire acknowledges that allowing the Performance Bond or other security instrument(s) to expire or otherwise terminate and/or allowing the total secured amount to fall below the security required herein will cause State to incur costs and significant risks not contemplated by this Contract, the exact amount of which will be difficult to ascertain. These costs include, but are not limited to, administrative costs and other expenses necessary to ensure continued performance of services for the public and protection of the Premises. Accordingly, if Concessionaire allows the Performance Bond or other security instrument to expire or otherwise terminate and/or allows the total secured amount to fall below the security required pursuant to this Contract, Concessionaire shall pay to State an amount equal to five percent (5%) of the required security or five hundred dollars (\$500), whichever is greater. The parties agree that this charge represents a fair and reasonable estimate of the costs State will incur. Acceptance of this charge by State shall not constitute a waiver of Concessionaire's default, nor prevent State from exercising the other rights and remedies available to it under this Contract or applicable law, including the right to terminate this Contract and seek the payment of damages.

A decision by the State to terminate the Contract under this provision shall be communicated in writing to Concessionaire as soon as practicable. If the Contract is so terminated, State shall be entitled to the proceeds payable under any applicable insurance policies pertaining to the loss as its interest may appear. Receipt of such proceeds by State shall be in addition to the right of

State to pursue whatever other remedies it may have to recover any losses due to the occurrence. If the State determines not to terminate the Contract, then, in State's discretion, any buildings, improvements, or fixtures built in replacement of any damaged or destroyed property shall be subject to the terms and provisions of this Contract as if they had existed at the onset. In no event shall the provisions of this Section be deemed or construed to relieve Concessionaire from the requirement to repair or replace any damaged or destroyed property except as specifically excepted by express terms of this Contract.

E. Each policy shall be underwritten to the satisfaction of the State. Concessionaire shall submit to State a signed and complete certificate of insurance with all endorsements required by this Section, showing to the satisfaction of State that such insurance coverage has been renewed or extended. Within fifteen (15) days of State's request, Concessionaire shall furnish State with a signed and complete copy of the required policy.

In the event of violation of this Section, the State will have the right to terminate this Contract, and any loss of revenue sustained by the State by reason thereof shall be borne and paid for by the Concessionaire.

### **30. DRUG-FREE WORKPLACE**

Concessionaire agrees to comply with Government Code Section 8355 in matters relating to the provision of a drug-free workplace. This compliance is evidenced by the executed Standard Form 21 entitled Drug-Free Workplace Certification, **Exhibit E**, attached hereto and made a part of the Contract.

**31. CONFLICT OF INTEREST**

Concessionaire warrants and covenants that no official, employee in the state civil service, other appointed state official, or any person associated with same by blood, adoption, marriage, cohabitation, and/or business relationship: (a) has been employed or retained to solicit or aid in the procuring of this Contract; (b) will be employed in the performance of this Contract without the immediate divulgence of such fact to State. In the event State determines that the employment of any such official, employee, associated person, or business entity is not compatible, Concessionaire shall terminate such employment immediately. For breaches or violation of this Section, State shall have the right both to annul this Contract without liability and, in its discretion, recover from the Concessionaire the full amount of any compensation paid to such official, employee, or business entity.

**32. EXPATRIATE CORPORATIONS**

Concessionaire hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1 and is eligible to contract with the State.

**33. NATIONAL LABOR RELATIONS BOARD CERTIFICATION**

The Concessionaire, by signing this Contract, does hereby swear, under penalty of perjury, that no more than one final, unappealable finding of contempt of court by a Federal Court has been issued against Concessionaire within the two-year period immediately preceding the date of this Contract because of Concessionaire's failure to comply with a Federal Court order that Concessionaire shall comply with an order of the National Labor Relations Board.

**34. CHILD SUPPORT COMPLIANCE ACT**

In the event the annual gross income generated as a result of this Contract shall exceed One Hundred Thousand Dollars (\$100,000.00), Concessionaire acknowledges that:

A. The Concessionaire recognizes the importance of child and family support relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as obligations and shall comply with all applicable state and federal laws provided in Chapter 8 (commencing with Section 5200) of Part 5 of Division 9 of the Family Code; and

B. The Concessionaire to the best of its knowledge is complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

### **35. RECORDS AND REPORTS**

Concessionaire shall keep separate true and accurate books and records showing all of Concessionaire's business transactions under this Contract in a manner that conforms to industry standards and practices and in a manner acceptable to State. Concessionaire shall keep all records for a period of at least four years.

In accordance with Public Resources Code Section 5080.18(b), copies of all sales and use tax returns submitted by Concessionaire to the California State Board of Equalization, the Employment Development Department, the Franchise Tax Board, or any other governmental agency shall be concurrently submitted to State.

In accordance with Public Resources Code Section 5080.18(c), State shall have the right through its representative and at all reasonable times to conduct such audits as it deems necessary and to examine and copy Concessionaire's books and records including all tax records and returns. Concessionaire hereby agrees to make all such records, books, and tax returns available to State upon State's request therefor. Concessionaire further agrees to allow interviews of any employees who might reasonably have information related to such records.

Concessionaire will submit to State, no later than May 1st of each year during the term of this Contract, a verified profit and loss statement for the previous calendar year. Such statement shall be submitted on Form DPR 86, Concessionaire's Financial

Statement, attached hereto as **Exhibit C**, or in a format previously approved by the State, and shall contain an appropriate certification that all gross receipts during the yearly accounting period covered by said statement shall have been duly and properly reported to the State. Within forty-five (45) days of the expiration or termination of this Contract, Concessionaire shall submit to the State a profit and loss statement for the period of operation not previously reported prepared in the manner stated above.

Concessionaire shall obtain and install cash registers or other accounting equipment acceptable to the State, through which Concessionaire shall record all gross receipts from the operation of the concession. This equipment shall be non-resettable and shall supply an accurate recording of all sales on tape and produce a receipt for each transaction. All such equipment shall have a customer display that is visible to the public. Concessionaire shall make all cash register tapes available to the State upon State's request. Concessionaire shall provide a cash register receipt to each customer setting forth the full amount of a sale.

### **36. TAXES**

A. By signing this Contract, Concessionaire acknowledges that occupancy interest and rights to do business on state property being offered Concessionaire by this Contract may create a possessory interest as that term is defined in Revenue and Taxation Code Section 107.6, which possessory interest may subject Concessionaire to liability for the payment of property taxes levied on such possessory interest.

B. Concessionaire agrees to pay all lawful taxes, assessments, or charges that at any time may be levied by the State, County, City, or any tax or assessment levying body upon any interest in or created by this Contract, or any possessory right that Concessionaire may have in or to the premises covered hereby, or the improvements thereon by reason of Concessionaire's use or occupancy thereof or otherwise, as well as all taxes, assessments, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by Concessionaire in or about the Premises.

**37. PERFORMANCE EVALUATIONS AND INSPECTION**

As part of its administration of this Contract, State will conduct periodic inspections of concession facilities, equipment, services, and programs and prepare written performance evaluations based upon its observations. A Concessionaire Performance Rating (DPR Form 531) attached hereto as **Exhibit D**, or other similar format(s) as may be adopted by the State will be utilized for evaluation purposes. State further reserves the right of ingress and egress without notice to inspect concession operations for the purposes of evaluating Concessionaire's performance of the terms and conditions of this Contract; to inspect, investigate, and/or survey the Premises; and to do any work thereon of any nature necessary for preservation, maintenance, and operation of the State Park System. Concessionaire agrees to cooperate with State in all respects related to the implementation of State's Concession Performance Evaluation program and with State's activities on the Premises. State shall not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of State's entry in the Premises as provided herein, except damage resulting from the active negligence or willful misconduct of State or its authorized representatives.

**38. DEFAULT BY CONCESSIONAIRE**

A. Defaults: The occurrence of any one of the following shall constitute a default and breach of this Contract by Concessionaire:

- 1) Failure to Pay Rent: Any failure of Concessionaire to timely pay any rent due or any other monetary sums required to be paid hereunder where such failure continues for a period of ten (10) consecutive days after such sums are due.
- 2) Absence from Premises: Any complete absence by Concessionaire or its agents and employees from the Premises for thirty (30) consecutive days or longer. The Premises shall be deemed abandoned after State has followed the procedures set forth in Civil Code Section 1951.3.

3) Nuisance: Should Concessionaire create or allow to be created a nuisance on the Premises, State may declare an immediate event of default and enter upon and take possession and/or demand an assignment of the right to operate the Premises without notice to Concessionaire. For the purpose of this paragraph, "nuisance" consists of an egregious activity that threatens the health, welfare, and safety of the public. Concessionaire shall immediately vacate the Premises and remove all personal property within thirty (30) days after State's declaration of default.

4) Failure to Observe Other Provisions: Any failure by Concessionaire to observe or perform another provision of this Contract where such failure continues for twenty (20) consecutive days after written notice thereof by State to Concessionaire; this notice shall be deemed to be the notice required under California Code of Civil Procedure Section 1161. However, if the nature of Concessionaire's default is such that it cannot reasonably be cured within the twenty (20) day period, Concessionaire shall not be deemed to be in default if it is determined at the sole discretion of State that Concessionaire has commenced such cure within the twenty (20) day period and thereafter continues to diligently prosecute such cure to completion to the satisfaction of State.

5) Involuntary Assignments, Bankruptcy: State and Concessionaire agree that neither this Contract nor any interest of Concessionaire hereunder in the Premises shall be subject to involuntary assignment or transfer by operation of law in any manner whatsoever, including, without limitation, the following: (a) transfer by testacy or intestacy; (b) assignments or arrangements for the benefit of creditors; (c) levy of a writ of attachment or execution on this Contract; (d) the appointment of a receiver with the authority to take possession of the Premises in any proceeding or action in which Concessionaire is a party; or (e) the filing by or against Concessionaire of a petition to have Concessionaire adjudged a

bankrupt, or of a petition for reorganization or arrangement under any law relating to bankruptcy. Any such involuntary assignment or transfer by operation of law shall constitute a default by Concessionaire and State shall have the right to elect to take immediate possession of the Premises, to terminate this Contract and/or invoke other appropriate remedies as set forth below, in which case this Contract shall not be treated as an asset of Concessionaire.

B. Notices of Default: Notices of default shall specify the alleged default and the applicable contract provision and shall demand that Concessionaire perform the provisions of this Contract within the applicable time period or quit the Premises. No such notice shall be deemed a forfeiture or a termination of this Contract unless State specifically so states in the notice.

### **39. STATE'S REMEDIES**

In the event of default by Concessionaire, State shall have the following remedies. These remedies are not exclusive; they are cumulative and are in addition to any other right or remedy of State at law or in equity.

A. Collection of Rent: In any case where State has a cause of action for damages, State shall have the privilege of splitting the cause to permit the institution of a separate suit for rent due hereunder, and neither institution of any suit, nor the subsequent entry of judgment shall bar State from bringing another suit for rent; it being the purpose of this provision to provide that the forbearance on the part of State in any suit or entry of judgment for any part of the rent reserved under this Contract, to sue for, or to include in, any suit and judgment the rent then due, shall not serve as defense against, nor prejudice a subsequent action for, rent or other obligations due under the Contract. The claims for rent may be regarded by State, if it so elects, as separate claims capable of being assigned separately.

B. Maintain Contract in Effect: The State has the remedy described in California Civil Code 1951.4 (lessor may continue lease in effect after lessee's

breach or abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations). The following do not constitute a termination of the Concessionaire's right to possession: (1) Acts of maintenance or preservation or efforts to relet the Premises; (2) The appointment of a receiver upon initiative of the State to protect State's interests under the Contract; (3) Withholding consent to a subletting or assignment so long as such consent is not unreasonably withheld.

C. Continued Performance: At State's option, Concessionaire shall continue with its responsibilities under this Contract during any dispute.

D. Termination of Concessionaire's Right to Possession: Upon an event of default, State may terminate Concessionaire's right to possession of the Premises at any time by written notice to Concessionaire. In the absence of such written notice from State, no act by State, including, but not limited to, acts of maintenance, efforts to relet and/or assign rights to possession of the Premises, or the appointment of a receiver on State's initiative to protect State's interest under this Contract shall constitute an acceptance of Concessionaire's surrender of the Premises, or constitute a termination of this Contract or of Concessionaire's right to possession of the Premises. Upon such termination, State has the right to recover from Concessionaire:

- 1) the worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Contract;
- 2) the worth, at the time of the award, of the amount by which the unpaid rent that would have been earned after the date of termination of this Contract until the time of the award exceeds the amount of loss of rent that Concessionaire proves could have reasonably been avoided;
- 3) the worth, at the time of the award, of the amount by which the unpaid rent for the balance of the term after the time of the award exceeds the amount of the loss of rent that Concessionaire proves could have been reasonably avoided; and

4) any other amount necessary to compensate State for all the detriment proximately caused by Concessionaire's failure to perform its obligations under this Contract, which, without limiting the generality of the foregoing, includes any cost and expenses incurred by the State in recovering possession of the Premises, in maintaining or preserving the Premises after such default, in preparing the Premises for a new concessionaire, in making any repairs or alterations to the Premises necessary for a new concessionaire, in making any repairs or alterations to the Premises, and costs of clearing State's title of any interest of Concessionaire, commissions, attorneys' fees, architects' fees, and any other costs necessary or appropriate to make the Premises operational by a new concessionaire.

"The worth, at the time of the award," as used herein above shall be computed by allowing interest at the lesser of a rate of ten percent (10%) per annum or the maximum legal rate.

E. Assignment at State's Direction: In the event of a default by Concessionaire, when cure is not received and acknowledged by State after having provided notice of the breach as provided herein above, Concessionaire shall, in addition to the damages provided for herein, be obligated to assign all rights to occupy, possess, and operate on and in the Premises to State's designee within thirty (30) days of receipt of written demand by State. Concessionaire shall further remove itself and its personal property from the Premises within the same time frame. Concessionaire agrees to execute all documents necessary to effectuate and implement this provision. Upon such assignment, all rights of Concessionaire under the Contract shall transfer to the assignee.

Any designated assignee, as provided for herein, shall take and operate the concession under the same terms and conditions as those set forth herein, except for requirements that have already been performed and are no longer applicable. However, Concessionaire shall not be relieved of obligations

incurred. An assignment of the Contract pursuant to the terms hereof shall not cause the Contract to terminate and shall not work a merger.

F. Receiver: If Concessionaire is in default of this Contract, State shall have the right to have a receiver appointed to collect rent and conduct Concessionaire's business or to avail itself of any other pre-judgment remedy. Neither the filing of a petition for the appointment of a receiver nor the appointment itself shall constitute an election by State to terminate this Contract.

G. Right to Cure Concessionaire's Default: At any time after Concessionaire commits a default, State can cure the default at Concessionaire's cost. If State, at any time by reason of Concessionaire's default, pays any sum or does any act that requires the payment of any sum, the sum paid by State shall be due immediately from Concessionaire to State, and if paid at a later date shall bear interest at the rate of ten percent (10%) per annum from the date the sum is paid by State until State is reimbursed by Concessionaire. Any such sum shall be due as additional rent.

H. Personal Property of Concessionaire: In the event any personal property or trade fixtures of Concessionaire remain at the Premises after State has regained possession or after an assignment is accomplished, that property or those fixtures shall be dealt with in accordance with the provisions for Surrender of the Premises provided below.

- 1) State's Obligations After Default: State shall be under no obligation to observe or perform any covenant of this Contract on its part to be observed or performed that accrues after the date of any default by Concessionaire. Such nonperformance by State shall not constitute a termination of Concessionaire's right to possession nor a constructive eviction.
- 2) No Right of Redemption: Concessionaire hereby waives its rights under California Code of Civil Procedure Sections 1174 and 1179 or any present or future law that allows Concessionaire any right of redemption or

relief from forfeiture in the event State takes possession of the Premises by reason of any default by Concessionaire.

3) Other Relief: All monetary obligations of the Concessionaire of any kind shall be considered rent. State shall have such rights and remedies for failure to pay such monetary obligations as State would have if Concessionaire failed to pay rent due. The remedies provided in this Contract are in addition to any other remedies available to State at law, in equity, by statute, or otherwise.

4) No Buy-out: In accordance with Public Resources Code Section 5080.18 (h), where the Contract has been terminated due to a breach on the part of the Concessionaire under any terms of this Contract the State shall not be obligated to purchase any improvements made by Concessionaire or to pay the Concessionaire for said improvements before or after taking possession of the Premises.

#### **40. DEFAULT BY STATE**

State shall not be in default of the performance of any obligation required of it under this Contract unless and until it has failed to perform such obligation for more than thirty (30) days after written notice by Concessionaire to State specifying the alleged default and the applicable contract provision giving rise to the obligation. However, if the nature of State's obligation is such that more than thirty (30) days is required for its performance, then State shall not be deemed in default if it shall commence performance within such 30-day period and thereafter diligently prosecute the same to completion.

#### **41. SURRENDER OF THE PREMISES; HOLDING OVER**

A. Surrender: On expiration or within thirty (30) days after earlier termination of the Contract, Concessionaire shall surrender the Premises to State with all fixtures, improvements, and Alterations in good condition, except for fixtures, improvements, and Alterations that Concessionaire is obligated to remove.

Concessionaire shall remove all of its personal property and shall perform all restoration required by the terms of this Contract within the above stated time unless otherwise agreed to in writing.

1) Personal Property: All of Concessionaire's personal property remaining on the Premises beyond such time specified in this Section shall be dealt with in accordance with California Code of Civil Procedure Section 1174 and California Civil Code Sections 1980, or such other laws as may be enacted regarding the disposition of Concessionaires' property remaining at the Premises. Concessionaire waives all claims against State for any damage to Concessionaire resulting from State's retention or disposition of Concessionaire's personal property. Concessionaire shall be liable to State for State's costs in storing, removing, and disposing of Concessionaire's personal property or trade fixtures.

2) Failure to Surrender. If Concessionaire fails to surrender the Premises to State on the expiration, assignment, or within thirty (30) days after earlier termination of the term as required by this Section, Concessionaire shall hold State harmless for all damages resulting from Concessionaire's failure to surrender the Premises.

B. Holding Over: After the expiration or earlier termination of the term and if Concessionaire remains in possession of the Premises with State's express consent, such possession by Concessionaire shall be deemed to be a temporary tenancy terminable on thirty (30) days written notice given at any time by either party. Concessionaire shall pay such rent and all other sums required to be paid hereunder monthly on or before the fifteenth day of each month. All other provisions of this Contract except those pertaining to the term shall apply to the month-to-month tenancy.

**42. NO RECORDATION; QUITCLAIM**

A. No Recordation: This Contract shall not be recorded.

B. **Quitclaim:** Concessionaire shall execute and deliver to State on the expiration or termination of this Contract immediately on State's request, a quitclaim deed to the Premises and the rights arising hereunder, in recordable form or such other document as may be necessary, to remove any claim of interest of Concessionaire in and to all property belonging to the State. Should Concessionaire fail or refuse to deliver to State a quitclaim deed or other documents as aforesaid, a written notice by State reciting the failure of the Concessionaire to execute and deliver said quitclaim deed as herein provided, shall after ten (10) days from the date of recordation of said notice be conclusive evidence against the Concessionaire and all persons claiming under Concessionaire of the termination of this Contract.

**43. ATTORNEY FEES**

Concessionaire shall reimburse the State on demand for all reasonable attorney fees (including attorney fees incurred in any bankruptcy or administrative proceeding or in any appeal) and expenses incurred by State as a result of a breach or default under this Contract. If Concessionaire becomes the prevailing party in any legal action brought by State, Concessionaire shall be entitled to recover reasonable attorney fees and expenses incurred by Concessionaire and need not reimburse the State for any attorney fees and expenses incurred by the State.

**44. WAIVER OF CLAIMS**

The Concessionaire hereby waives any claim against the State of California, its officers, agents, or employees for damage or loss caused by any suit or proceeding directly or indirectly attacking the validity of this Contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this Contract null, void, or voidable, or delaying the same or any part thereof from being carried out.

**45. WAIVER OF CONTRACT TERMS**

Unless otherwise provided by this Contract, no waiver by either party at any time of any of the terms, conditions, or covenants of this Contract shall be deemed as a waiver at any time thereafter of the same or of any other term, condition, or covenant herein contained, nor of the strict and prompt performance thereof. No delay, failure, or omission of the State to re-enter the Premises or to exercise any right, power, privilege, or option arising from any breach, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be construed as a waiver of such breach or a relinquishment of any right or acquiescence therein. No notice to the Concessionaire shall be required to restore or revive time as of the essence after the waiver by the State of any breach. No option, right, power, remedy, or privilege of the State shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options, and remedies given to the State by this Contract shall be deemed cumulative.

**46. INTERPRETATION OF CONTRACT**

This Contract is made under and is subject to the laws of the State of California in all respects as to interpretation, construction, operation, effect, and performance.

**47. DURATION OF PUBLIC FACILITIES**

By entering into this Contract, State makes no stipulation as to the type, size, location, or duration of public facilities to be maintained at this unit, or the continuation of State ownership thereof, nor does the State guarantee the accuracy of any financial or other factual representation that may be made regarding this concession.

**48. EMINENT DOMAIN**

If, during the term of this Contract, any property described herein or hereinafter added hereto is taken in eminent domain, the entire award shall be paid to State.

**49. SECTION TITLES**

The Section titles in this Contract are inserted only as a matter of convenience and for reference, and in no way define, limit, or describe the scope or intent of this Contract, or in any way affect this Contract.

**50. INDEPENDENT CONTRACTOR**

In the performance of this Contract, Concessionaire and the agents and employees of Concessionaire shall act in an independent capacity and not as officers or employees or agents of the State.

**51. ASSIGNMENTS AND SUBCONCESSIONS**

No transfer, assignment, or corporate sale or merger by the Concessionaire that affects this Contract or any part thereof or interest therein directly or indirectly, voluntarily or involuntarily, shall be made unless such transfer, assignment, or corporate merger or sale is first consented to in writing by State. Before State considers such assignment, evidence must be given to State that the proposed assignee qualifies as a "best responsible bidder" under the terms of Section 5080.05 of the Public Resources Code or "best responsible person or entity submitting a proposal" under the terms of Section 5080.23 of the Public Resources Code and the Bid Prospectus or Request for Proposals under which this Contract was awarded and executed. To be effective, any such assignment must comply with applicable law including, without limitation on generality, Public Resources Code Sections 5080.20 and 5080.23.

Portions of this concession may be operated by others under a subconcession agreement with prior written consent of State under the following conditions:

- A. The subconcessionaire must be qualified.
- B. The subconcessionaire's interest shall be subordinate and in all ways subject to the terms of this Contract.
- C. Concessionaire's gross receipts shall include all receipts of the subconcessionaire.

**52. MODIFICATION OF CONTRACT**

This concession contract contains and embraces the entire agreement between the parties hereto and neither it, nor any part of it, may be changed, altered, modified, limited, or extended orally or by any agreement between the parties unless such agreement be expressed in writing, signed, and acknowledged by the State and the Concessionaire or their successors in interest.

An amendment is required to change the Concessionaire's name as listed in this Contract upon receipt of legal documentation to support such change.

Notwithstanding any of the provisions of this Contract, the parties may hereafter, by mutual consent expressed in writing, agree to modifications thereof, additions thereto, or terminations thereof, which are not forbidden by law. Such written modifications or additions to this Contract of a material nature shall not be effective until signed and acknowledged by the State and Concessionaire and approved in writing by the Department of General Services and the Attorney General of the State of California.

The State shall have the right to grant reasonable extensions of time to Concessionaire for any purpose or for the performance of any obligation of Concessionaire hereunder.

**53. UNENFORCEABLE PROVISION**

In the event that any provision of this Contract is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Contract have force and effect and shall not be effected thereby.

**54. APPROVAL OF CONTRACT**

This Contract, amendments, modifications, or termination thereof shall not be effective until approved by Department of General Services and the Attorney General of the State of California.

**55. CONTRACT NOTICE**

I understand and acknowledge that there are risks of personal injury, death, and property damage while participating in the activities that are the subject of this rental agreement.
