1.2 GENERAL INFORMATION

Site Description
Will Rogers State Historic Park contains a 31 room ranch house, an historic stable, a regulation polo field, riding arena, roping area, numerous corrals, horse pastures, a golf course and many trails. Will Rogers’ ranch became a California State Park in 1944. The park has a number of trails that crisscross the landscape of the park’s 186 acres. The Inspiration Point Trail accommodates hiking, cycling or equestrian use. At its summit, the panoramic views provide a sweeping vista of forested canyon hillsides, West Los Angeles and the Pacific Ocean. On a clear day, one can see all the way to the Palos Verdes Peninsula and beyond. It is one of the finest views of Los Angeles. Inspiration Point Trail is a two-mile round trip on an easy 751 foot elevation gain, with a wide horse path, framed by eucalyptus trees.

Located just off the trail to Inspiration Point is the Rogers Road Trail, which is the beginning of the Santa Monica Mountains famed Backbone Trail. This remarkable ridgeline feature begins at Will Rogers SHP and winds 35 miles through Topanga State Park and the Santa Monica Mountains, ending at Point Mugu State Park in Ventura County. Some runners have called the Backbone Trail the “best running route in the world.”

Concession Operations
The current concessionaire, Westside Riding School, has been operating under a two-year concession contract that has been on a month-to-month status since 2008. The concessionaire provides riding instruction and guided trail rides. Boarding of private horses that are not part of the concession operation is not permitted.

Historical Significance
Will Rogers State Historic Park was the private ranch of the movie star, radio personality, columnist, philosopher and American cowboy, Will Rogers. In the early 1930’s, Will Rogers was the most popular and highest paid actor in Hollywood. His 186 acre ranch in Pacific Palisades, California was the place where he could relax with his family and friends, pursing his favorite pastimes of riding horseback, roping steers or playing polo. The iconic Western Ranch House at Will Rogers State Historic Park (SHP) is on the National Register of Historic Places.

Failure of a proposer to include this statement and/or identify in writing the claimed exempt material, as set forth above, shall be deemed a waiver of any exemption from disclosure under the Public Records Act. In the event of a protest to State Parks’ intent to award a concession contract, State Parks may, in its sole discretion, release any or all of the contents of the proposals to the proposers for purposes of hearing the protest. Otherwise, proposer requests to review proposal submissions will not be allowed until after a fully executed contract is signed and approved by the State.

Proposers are encouraged to notify bank and business references in writing that a representative from the state will be contacting them concerning the financial and credit information furnished to the Department with the proposal.

State’s Right to Reject Proposals, Waive Defects and Requirements
The State reserves the right to accept or reject any or all proposals, and waive any or all immaterial defects, irregularities, or requirements in the RFP for the benefit of the State, so long as such waiver does not give any proposer a material advantage over other proposers. A proposer shall not be relieved of his/her proposal nor shall any change be made in his/her proposal due to a proposer error.
Supplemental Information
At its sole discretion, the State reserves the right, but does not have the obligation, to seek supplementary information or clarification from any proposer at any time between the dates of proposal submission/acceptance and the contract award. The State may obtain credit reports and/or make background inquiries to further establish the qualifications of any proposer. Proposers may be required to make a presentation to the Concession Contract Award Board.

Proposal Evaluation
All proposals received shall be evaluated for form and content in accordance with the requirements of this RFP. Upon receipt of more than one proposal for this concession contract, a Contract Award Board will evaluate and score each eligible proposal pursuant to the point system and selection criteria as described in the Proposal Instructions and Proposal Evaluation Form. Proposals not containing all of the items in the Concession Proposal form (DPR 398) may be rejected.

Contract Award Board
Upon receipt of multiple proposals, Concession Contract Award Boards are appointed by the Director of the Department, or his or her representative, and convened to review, evaluate, and rate each eligible proposal received and make a recommendation to the Director regarding the selection of the “Best Responsible Proposer”. The Award Board for this contract may include park staff with related expertise, such as Field Division Chief, Deputy Director, Park Design and Construction staff, or District Superintendent, and representatives from other public agencies or the private sector.

Contract Award

The “Best Responsible Proposer” will be the bidder whose proposal passes each of the required elements and receives the highest total score as determined by the Contract Award Board and approved by the Director. In the event of only one proposal for this contract, the State may award contract upon determination the one proposal passes each of the required RFP elements. Execution of the awarded concession contract is subject to approval by controlling agencies of the State, which include the Department of General Services and the Attorney General, and will not be binding on the State or the successful proposer until such approval is obtained. In the event the State does not identify a “Best Responsible Proposer” through the bid process, the State may negotiate a concession contract under the provisions of Public Resources Code Section 5080.16.

Protest of Award
Based on California Code of Regulations, Title 14, Division 3, Chapter 3, Section 4400 and Department of Parks and Recreation policy, within ten (10) days after the Department has issued a notice of intent to award a concession contract for a term in excess of two (2) years following a request for proposals or invitation to bid, any proposer/bidder may file a written statement of protest against awarding of the contract with the Director of the Department. The statement shall be signed by the protestor, shall specify the grounds for the protest and may include a demand for a hearing.
Failure to file a verified petition within the ten-day period shall constitute a waiver of the right to protest. Protests must be sent to:

Director
California Department of Parks and Recreation
1416 Ninth Street, 14th Floor
P. O. Box 942896
Sacramento, California 94296-0001
Fax: 916-657-3903

A copy of the protest must be served on the Attorney General within the ten-day period by the proposer/bidder. Serve the Attorney General at:

State of California
Department of Justice
Office of the Attorney General
Land Law Section
1300 I Street
Sacramento, California 95814
Facsimile: 916-322-5609

If a protest is timely served and a hearing is demanded, or if the Director on his or her own motion orders a hearing, proceedings shall be conducted according to the Administrative Procedure Act, and the protest statement shall be treated as a statement of issues. Any recommendation or decision of the hearing officer shall be submitted to the Director for approval, adoption, modification, disapproval, or other interlocutory or final action. If a hearing is not so demanded or ordered, the action of the Director shall be final.

2.3 CONTRACT EXECUTION

Preparation of Contract
Subsequent to the award of a contract, if an award is made, the State will prepare a final contract for execution. The contract will contain "exhibits" developed from the selected proposal including the proposal’s Operation, Facility Improvement, and Interpretive Plans, as required. Minor changes or modifications to the contract, proposal plans, and contract exhibits may be made prior to execution based on agreement between the State and concessionaire. However, no material change to the contract or its exhibits as presented in the RFP and in the selected proposal may be made.

Performance Bond and Insurance
The successful proposer will be required to submit a Performance Bond and evidence of insurance required under the contract. Failure to submit the bond and/or insurance verification within the time limit presented may be treated as a refusal to execute, if the State so elects. The State may take the Proposer Bond and select the next Best Responsible Proposal.
**Failure to Sign/Deliver Contract**
A failure of the successful proposer to sign and deliver the contract within thirty (30) days of receipt may be treated as a refusal to execute, if the State so elects. The State may retain the Proposer Bond and select the next Best Responsible Proposal.
SECTION 3 - THE PROPOSAL

In addition, points are awarded for experience contracting with public agencies.

### Operation Plan  
25 Points  
A maximum of twenty five (25) points will be awarded based upon the degree to which the proposal addresses each of the elements described in Section II Proposal Information and identified in the DPR 398, Concession Proposal.

**Rental Offer**  
25 Points
For the purpose of assigning points in the Proposal Evaluation, the highest acceptable rental offer* for each category of rent required (Rental Guarantee and Percentages of Gross Sales) will be assigned the maximum points available for that category. Each lower rental offer will be assigned points in relation to the highest rental offer as follows:

Rental Guarantee (Minimum bid is GuaranteedRent)
\[
\frac{(\text{Bid Amount}) - (\text{Guaranteed Rent})}{(\text{Highest Bid Amount}) - (\text{Guaranteed Rent})} \times 15 \text{ points} = \text{______ points}
\]

Percentage of Gross Sales (Minimum bid is PercentageRent1)
\[
\frac{(\text{Bid Amount})}{(\text{Highest Bid Amount})} \times 10 \text{ points} = \text{______ points}
\]

*Note: the highest bids received may not be considered acceptable. Proposers may be required to prove to the satisfaction of the State their ability to operate a successful business under their rental offer. Failure to prove this ability will be cause to disqualify the proposal. In this case, the second highest acceptable bid would be used to calculate points awarded.

Located In
Will Rogers State Historic Park
Los Angeles County

THIS CONTRACT is made and entered into by and between the STATE OF CALIFORNIA, acting through its Department of Parks and Recreation, hereinafter referred to as "State," and ConcessionaireName DBA FictitiousBusName of City State, hereinafter referred to as "Concessionaire";

RECITALS

WHEREAS, California Public Resources Code Section 5080.03 et seq. authorizes the Department of Parks and Recreation to enter into concession contracts for the operation of state park system lands and facilities and;

WHEREAS, the California Legislature approved the development and operation of an equestrian concession program at Will Rogers SHP within the Supplemental Report to the Fiscal Year 2014-15 Budget Act.

WHEREAS, it is appropriate that the following contract be entered into for the safety and convenience of the general public in the use and enjoyment of, and the overall enhancement of recreational and educational experience at units of the state park system;

NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:
1. DESCRIPTION OF PREMISES

The State for and in consideration of the agreements hereinafter stated, grants to Concessionaire for the purposes stated herein, the right, privilege, and duty to develop, equip, operate, and maintain a nonexclusive concession in Will Rogers State Historic Park at the location(s) as set forth in Exhibit A, attached to and made a part of this Contract (the "Premises").

The possessoriy interest herein given to the Concessionaire does not exclude the general public from the Premises; however, the use by the general public is limited by the terms and conditions of the possessoriy interest given herein. This Contract is not intended to confer third party beneficiary status to any member of the public who is benefited by the terms of this Contract. The possessoriy interest is further subject to all valid and existing contracts, leases, licenses, encumbrances, and claims of title that may affect the Premises.

2. CONDITION OF PREMISES

The taking of possession of the Premises by the Concessionaire, in itself, shall constitute acknowledgment that the Premises are in good and sufficient condition for the purposes for which Concessionaire is entering into this Contract. Concessionaire agrees to accept Premises in their presently existing condition, "AS IS," and that the State shall not be obligated to make any alterations, additions, or betterments to the Premises except as otherwise provided for in this Contract.

3. TERM

The term of this Contract shall be for a period of ten (10) years, commencing on the first day of the month following approval by the California Department of General Services. Should Concessionaire hold-over after the expiration of the term of this Contract with the express or implied consent of the State, such holding-over shall be deemed to be a tenancy from month-to-month at the herein stated prescribed rent as set forth in this Contract in Section 44, Surrender of Premises; Holding Over, of this
Contract, with continuous Consumer Price Index (CPI) adjustment, as set forth in this Contract in **Exhibit J** attached to and made a part of this Contract.

For purposes of this Contract, the term "Contract Year" shall mean each one-year period of time that commences on the commencement date identified above, extending twelve (12) months therefrom, and continuing from each anniversary throughout the term of the Contract.

4. **RENT**

   Concessionaire shall pay, without offset, deduction, prior notice, or demand, as "Minimum Annual Rent" the sum of Sixty Thousand Dollars ($60,000) annually (or as bid) **or** ten percent (10%) (or as bid) of Annual Gross Receipts, whichever sum is greater. Beginning with Contract Year Six (6) and on the first day of each fifth Contract Year thereafter, the Minimum Annual Rent shall be adjusted to reflect changes in the CPI. Such CPI adjustments shall be made in accordance with the procedure set forth in **Exhibit J**, attached to and made a part of this Contract.

   Minimum Annual Rent shall be paid monthly per the procedures described below. Concessionaire shall make payment of Minimum Monthly Rent and other payments to State in lawful money of the United States. However, if any payment made by a check, draft, or money order is returned to State due to insufficient funds or otherwise, State shall have the right, at any time after the return, upon written notice to Concessionaire, to require Concessionaire to make all subsequent payments in cash or by cashier's or certified check.

   Beginning with the fifteenth (15th) day of the month following the opening of the concession for business, and on or before the fifteenth (15th) day of each month thereafter, Concessionaire shall furnish to State a verified statement of the concession's gross receipts for the preceding month. Such statement shall be submitted on Form DPR 54, Concessionaire's Monthly Report of Operation, attached hereto as **Exhibit E**, or in a format previously approved by the State, and shall specify the current period and cumulative total of gross receipts for the concession through the end of the preceding month for the then current Contract Year. Concessionaire shall also provide such statement for periods of non-operation.
Concurrent with such monthly statement, the Concessionaire shall pay to State the appropriate rental fee based on the gross receipts for the preceding calendar month as prescribed above. Payments to State shall be made to the order of the Department of Parks and Recreation and delivered to the District Office identified herein below or at such other location as may from time to time be designated by State. If, at the end of the Contract Year, the total of monthly percentage rental payments made (or due) during that Contract Year is less than the Minimum Annual Rent required for that Contract Year, the difference shall be remitted to State with the last monthly sales statement for the Contract Year.

Payments must be received by State on or before the fifteenth (15th) day of the month as described above. Any late payment shall constitute a breach of contract, giving rise to State's remedies as set forth below. Further, any late payment will be subject to a late penalty consisting of an administrative charge on the late amount, calculated at the rate of five percent (5%) of the amount of the late payment or portion thereof. The parties agree that the late charge represents a fair and reasonable estimate of the costs State will incur because of late payment. Acceptance of the late charge by State shall not constitute a waiver of Concessionaire's default for the overdue amount, nor prevent State from exercising the other rights and remedies granted under this Contract. Concessionaire shall pay the late charge as additional rent with the next monthly rent payment.

Any amount due to State, if not paid within five (5) days following the due date, will bear interest from the due date until paid at the rate of ten percent (10%) per year. However, interest shall not be payable on late charges incurred by Concessionaire. Payment of interest shall not excuse or cure any default by Concessionaire.

Upon written request by the Concessionaire to State demonstrating unusual or extenuating circumstances causing the late payment, the State, in its sole discretion, may waive the late charge. Further, in the event Concessionaire is prevented from carrying on the operations contemplated herein by reason of an Act of Nature or other reasons beyond Concessionaire's control, and when requested in writing in advance by Concessionaire, Minimum Rent may be abated in proportion to the amount by which
gross receipts are reduced by the occurrence for such period of reduced or non-operation, as determined in the sole discretion of State.

If this Contract is terminated by State because of Concessionaire's default, and if Concessionaire becomes liable for any deficiency in rent and/or fees by way of damages or otherwise, or if at any time during the Contract term Concessionaire ceases to conduct in the Premises the business referred to herein below, then from and after the time of the breach causing this termination, or from and after the time of the cessation of business, all unpaid rent and/or fees prior to the breach causing termination or cessation of business shall become due and payable. The objective of the Working Drawings is to set forth in detail the requirements for construction of the Facility Development Plan including bidding and contracting. At a minimum, the drawings should include all Design Development elements plus: complete documentation of quantities, qualities, and relationships of all work required to construct the Facility Improvement Plan; documentation of decisions made in the Design Development phase; all documentation needed for obtaining regulatory and State approvals; construction schedule; and the final Statement of Probable Construction Cost. If the State disapproves any drawings, plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions. No changes or alterations shall be made to the approved Working Drawings without prior written approval of State.

B. Use of Consultants: Concessionaire shall employ licensed Contractor(s) in the completion of all required construction work. Additionally, Concessionaire shall utilize professional contractors and consultants, including architect(s) and engineer(s), acting in accordance with the
latest American Institute of Architects’ standards of practice to develop comprehensive construction plans, including schematic design plans, design development plans, and working drawings, and to conduct independent inspections and monitoring of all construction. Concessionaire agrees to select contractors and consultants who are licensed to practice in the State of California and are acceptable to the State. However, in no event shall State be deemed to have control of or be responsible for Concessionaire's final hiring decisions, the day-to-day management of the project, or administration of contracts with contractors or consultants. Contracts between Concessionaire and any contractor or consultant must be approved in writing by State in advance of execution by Concessionaire.

C. Permits: At its sole cost and expense, including mitigation costs, Concessionaire shall obtain all permits, licenses, and other approvals necessary for the construction and completion of the Facility Improvement Plan. Such permits may include, but are not limited to, those required under the California Environmental Quality Act (CEQA), Public Resources Code 5024, County Health Department, California Coastal Act, California Building Code, and State Fire Marshal. All plans must comply with the Americans with Disabilities Act of 1990 (ADA) and require certification from the State's Accessibility Section in accordance with Contract Section 42, Disability Access Laws. Concessionaire shall reimburse State for all costs incurred by State on behalf of Concessionaire in association with acquisition of said permits. State will produce records of such costs for review by Concessionaire on a monthly basis. The State shall cooperate with Concessionaire with respect to securing said permits including the execution of documents required by a governmental authority to be initiated by State. In the event Concessionaire, having exercised all due diligence in applying for and seeking all approvals, cannot secure all required permits within two (2) years from Concessionaire's taking
possession of the premises, the State shall have the option to terminate this Contract.

D. State Approval/Acceptance of Plans and Work: Concessionaire shall allocate a minimum of thirty (30) days in construction schedules for each required review by State. Concessionaire shall reimburse State for all professional services, including but not limited to architectural, engineering, construction monitoring, inspection, plan review and approval. State will produce records of such costs for review by Concessionaire on a monthly basis. State's approval of the work and plans shall be for the purpose of determining that such work conforms in scope and quality to State's policies and standards, and in no way shall relieve Concessionaire or its contractors or subcontractors of the responsibility to perform and complete the work (1) in accordance with generally accepted industry standards, (2) faithfully adhering to the approved plans, specifications, and drawings, and (3) in accordance with all applicable codes, laws, regulations, or other requirements, including but not limited to, the standards contained in this Contract. Permission to start construction will not be granted until all required permits and approvals have been secured.

Alterations: It is the intent of this Contract and the contracting parties that the concession facilities contemplated herein shall not only be constructed in accordance with the requirements herein, but in coordination with State's development of the unit. The State, in its discretion after consultation with Concessionaire, may alter the Facility Improvement Plan and Working Drawings and construction schedule, and/or the construction timeline to agree with its schedule of development for the unit. Any changes to the timeline shall not be earlier than the dates set forth in the Working Drawings, as approved by State, except with concurrence of Concessionaire.

E. Completion of Improvements: Upon State approval of the Working Drawings and receipt of all required permits, licenses, and other
approvals, Concessionaire shall commence construction to the facility as
described herein, and prosecute the same to completion with all due
diligence and within four (4) months. Such time shall be extended as
reasonably necessary in the event of delays caused by fire, earthquakes,
wars, strikes, adverse weather, or other calamity beyond Concessionaire's
control. Concessionaire shall hold monthly or more frequent status
meetings throughout the period of construction, which shall include
representatives of the general contractor, appropriate subcontractors, a
representative of Concessionaire, and a representative of the State.
Upon completion of construction, Concessionaire shall (1) file a Notice of
Completion of Construction in County within which work was executed,
and identify State as recipient of recorded document; (2) secure Certificate
of Occupancy if required by State Fire Marshal; (3) provide State with a
complete set of "as-built" plans and updated specifications for all
improvements in a format acceptable to State; (4) submit evidence that all
improvements are clear of any mechanic's liens; (5) have work certified by
a licensed architect or engineer to be in compliance with the Working
Drawings as approved by State and all applicable building or other laws,
codes, or regulations; (6) secure sign-off for CEQA compliance; (7) have
work inspected by the Accessibility Section for compliance with ADA and
(8) submit an account of the cost for all facility improvements, excluding
equipment and trade fixtures that are the personal property of
Concessionaire.

The cost accounting as required by item (8) above shall include cost
statements and substantiating invoices for all project expenses including labor and
materials. After such accounting has been examined by State, State in its sole
discretion will establish in a reasonable and fair manner the cost of facilities and
improvements for the purposes of evaluating Concessionaire's compliance with the
facility development expenditure requirements of this Contract. In the event such
accounting is not filed by Concessionaire at the time specified, State shall estimate the
cost of the project and serve notice of same on Concessionaire in the manner provided herein.

When Concessionaire has obtained lien releases, filed the Notice of Completion, received Certificate of Occupancy as required, and received written acceptance from the State, subject to all other provisions of this Contract, Concessionaire shall have the right to commence concession business operations.

26. MODIFICATIONS, ADDITIONS, TITLE TO IMPROVEMENTS

In the event that Concessionaire desires to make modifications, improvements, or additions to the Premises or any part of the Premises, including changes to structural design, required accessibility barrier removal work, landscape design, or interior or exterior fixtures, design, and/or furnishings, (collectively Alteration(s)), the approval in writing of State shall be obtained prior to the commencement of any Alterations. State shall dictate the plan approval process.

The Premises as shown on Exhibit A include a state historic facility, as defined in Public Resources Code Section 5024. No alteration, modifications, demolition, or construction, other than those which may be outlined herein, may be commenced without prior written approval from State in accordance with Public Resources Code Section 5024.5.

Once any Alteration has been approved by State and the work has begun, Concessionaire shall, with reasonable diligence, prosecute to completion all approved Alterations. All work shall be performed in a good and workmanlike manner, shall substantially comply with plans and specifications submitted to State as required herein, and shall comply with all applicable governmental permits, laws, ordinances, and regulations. It shall be the responsibility of Concessionaire, at its own cost and expense, to obtain all licenses, permits, and other approvals necessary for the construction of approved Alterations.

Title to all Alterations and improvements existing or hereafter erected on the Premises, regardless of who constructs such improvements, shall immediately become State's property and, at the end of the Term, shall remain on the Premises without compensation to Concessionaire. Concessionaire agrees never to assail, contest, or
resist title to the Alterations and improvements. The foregoing notwithstanding, State may elect, by notice to Concessionaire, that Concessionaire must remove any Alterations that are peculiar to Concessionaire's use of the Premises and are not normally required or used by State and/or future occupants of the Premises. In this event, Concessionaire shall bear the cost of restoring the Premises to its condition prior to the installment of the Alterations.

27. **BONDS**

A. All bonds required under this Contract must be in a form satisfactory to State, issued by a corporate surety licensed to transact surety business in the State of California.

B. **Performance Bond**: Concessionaire, at Concessionaire's own cost and expense, agrees to obtain and deliver to State, prior to the commencement date of this Contract and prior to entering the Premises, and shall maintain in force throughout the term of this Contract, a valid Performance Bond (which may be renewed annually) in the sum of one year **Minimum Annual Rent** payable to the State. This bond shall insure faithful performance by Concessionaire of all the covenants, terms, and conditions of this Contract inclusive of, but not restricted to, the payment of all rentals, fees, and charges and prompt performance of and/or payment for all maintenance obligations. In lieu of a bond, the Concessionaire may substitute another financial instrument (such as an Irrevocable Standby Letter of Credit), which must be sufficiently secure and acceptable to State. At least thirty (30) days prior to the expiration or termination of said bond or acceptable financial instrument, a signed endorsement or certificate showing that said bond or financial instrument has been renewed or extended shall be filed with the State. Within 15 days of State’s request, Concessionaire shall furnish State with a signed and complete copy of the valid bond or financial instrument.

C. **Construction Payment Bond**: Prior to the commencement of construction required hereunder, Concessionaire shall furnish the State with a bond,
listing Concessionaire's contractor(s) as principals, in a sum not less than fifty percent (50%) of the total cost of the construction. The bond shall guarantee payment by Concessionaire of all materials, provisions, provender, supplies, and equipment used in, upon, for, or about the performance of said construction, and protect the State from any liability, losses, or damages arising therefrom. In no event shall Concessionaire allow the imposition of a mechanics' lien or other lien on the concession property and at its sole expense shall take all steps to remove such liens or the threat of such liens.

D. Construction Performance Bond: Prior to the commencement of construction required hereunder, Concessionaire shall furnish the State with a bond, listing Concessionaire's contractor(s) as principals, in a sum not less than fifty percent (50%) of the total cost of the construction. The bond shall guarantee faithful performance of the construction by Concessionaire's contractor.

E. Concessionaire acknowledges that allowing the Performance Bond or other security instrument(s) to expire or otherwise terminate and/or allowing the total secured amount to fall below the security required herein will cause State to incur costs and significant risks not contemplated by this Contract, the exact amount of which will be difficult to ascertain. These costs include, but are not limited to, administrative costs and other expenses necessary to ensure continued performance of services for the public and protection of the Premises. Accordingly, if Concessionaire allows the Performance Bond or other security instrument to expire or otherwise terminate and/or allows the total secured amount to fall below the security required pursuant to this Contract, Concessionaire shall pay to State an amount equal to five percent (5%) of the required security or five hundred dollars ($500), whichever is greater. The parties agree that this charge represents a fair and reasonable estimate of the costs State will incur. Acceptance of this charge by State shall not constitute a waiver of Concessionaire's default, nor prevent State from exercising the other
rights and remedies available to it under this Contract or applicable law, including the right to terminate this Contract and seek the payment of damages.

28. **INSURANCE**

A. Concessionaire shall provide before entering the Premises and shall maintain in force throughout the term of this Contract the following:

1) **Commercial General Liability Insurance:** Concessionaire shall maintain general liability on an occurrence form with limits not less than $1,000,000 per occurrence for bodily injury and property damage liability combined with $2,000,000 annual policy aggregate. The policy shall include coverage for liabilities arising out of Premises, operations, independent contractors, products, completed operations, personal and advertising injury. If Concessionaire occupies a portion of a State structure, liability insurance shall specify fire coverage (damage to rented premises) in an amount equal to the replacement value of the occupied part of the structure.

2) **Automobile Liability:** Concessionaire shall maintain motor vehicle liability with limits not less than $1,000,000 combined single limit per accident. Such insurance shall cover liability arising out of motor vehicles including owned, hired and non-owned motor vehicles used by Concessionaire in the conduct of business under this Contract.

3) **Workers’ Compensation Insurance:** Concessionaire shall maintain statutory worker’s compensation and employer’s liability coverage for all its employees who will be engaged in the performance of this Contract. Employer’s liability limits of $1,000,000 are required. The workers’ compensation policy shall contain a waiver of subrogation in favor of the State of California on a form acceptable to the State.

4) **Property Insurance:** Concessionaire shall provide Special Form building coverage on a replacement cost basis limits based on the estimated replacement value of facilities occupied by Concessionaire.
Replacement value at the time of contract execution is One Million Dollars ($1,000,000). The State shall be named as “loss payee” for any Property insurance claim related to the destruction, loss, or damage of State-owned buildings. In the event of destruction, loss, or damage of any of the State-owned buildings, improvements, or fixtures located on the Premises that the State determines (1) to be essential to the continued operation of the Contract and (2) cannot be repaired within one-hundred-eighty (180) days of the occurrence, the State may terminate this Contract. A decision by the State to terminate the Contract under this provision shall be communicated in writing to Concessionaire as soon as practicable. If the Contract is so terminated, State shall be entitled to the proceeds payable under any applicable insurance policies pertaining to the loss as its interest may appear. Receipt of such proceeds by State shall be in addition to the right of State to pursue whatever other remedies it may have to recover any losses due to the occurrence. If the State determines not to terminate the Contract, then, in State’s discretion, any buildings, improvements, or fixtures built in replacement of any damaged or destroyed property shall be subject to the terms and provisions of this Contract as if they had existed at the onset. In no event shall the provisions of this Section be deemed or construed to relieve Concessionaire from the requirement to repair or replace any damaged or destroyed property except as specifically excepted by express terms of this Contract.

B. Each policy of liability insurance shall apply separately to each insured against whom claim is made or suit is brought subject to the Concessionaire’s limit of liability. The policy must include the State of California, Department of Parks and Recreation, its officers, agents, and employees, as additional insureds. These endorsements must be supplied under form acceptable to State. Any subcontractors shall be included under Concessionaire’s policy or provide evidence of coverage equal to limits and policies required of Concessionaire.
C. Concessionaire is responsible to provide the State within five (5) business days following receipt by Concessionaire a copy of any cancellation or non-renewal of insurance required by this Contract. In the event Concessionaire fails to keep in effect at all times the specified insurance coverage, State may, in addition to other remedies it may have, terminate this Contract upon the occurrence of such event, subject to the provisions of this Contract.

D. Each policy shall be underwritten to the satisfaction of the State. Concessionaire shall submit to State a signed and complete certificate of insurance with all endorsements required by this Section, showing to the satisfaction of State that such insurance coverage has been renewed or extended. Within fifteen (15) days of State’s request, Concessionaire shall furnish State with a signed and complete copy of the required policy.

29. HOLD HARMLESS AGREEMENT

Concessionaire hereby waives all claims and recourse against the State, including the right to contribution for loss or damage to persons or property arising from, growing out of, or in any way connected with or incident to this Contract, except claims arising from, and to the extent of, the sole gross negligence or willful misconduct of the State, its officers, agents, or employees. Concessionaire shall protect, indemnify, hold harmless, and defend State, its officers, agents, and employees against any and all claims, demands, damages, costs, expenses, attorney fees, expert costs and fees, or liability costs arising out of the development, construction, operation, or maintenance of the Premises property described herein and compliance with all laws, including but not limited to the Americans With Disabilities Act of 1990 as provided for herein, except for liability arising out of, and to the extent of, the sole gross negligence or willful misconduct of State, its officers, agents, or employees or other wrongful acts for which the State is found liable by a court of competent jurisdiction.
30. **COMPLIANCE WITH LAWS, RULES, REGULATIONS AND POLICIES**

Concessionaire shall comply with all applicable laws, rules, regulations, and orders existing during the term of this Contract, including obtaining and maintaining all necessary permits and licenses. Concessionaire acknowledges and warrants that it is or will make itself through its responsible concession managers, knowledgeable of all pertinent laws, rules, ordinances, regulations, or other requirements having the force of law affecting the operation of the concession facilities, including but not limited to laws affecting health and safety, hazardous materials, pest control activities, historic preservation, environmental impacts, and State building codes and regulations. Concessionaire further acknowledges State policy for concession employees to maintain compatible relations with State employees and the public.

31. **DISABILITIES ACCESS LAWS**

Without limiting Concessionaire's responsibility under this Contract for compliance with all laws, with regard to all operations and activities that are the responsibility of Concessionaire under this Contract, Concessionaire shall be solely responsible for complying with the requirements of the Americans With Disabilities Act of 1990 (ADA) [Public Law 101-336, commencing at Section 12101 of Title 42, United States Code (and including Titles I, II, and III of that law)], the Rehabilitation Act of 1973, and all related regulations, guidelines, and amendments to both laws.

With regard to facilities for which Concessionaire is responsible for operation, maintenance, construction, restoration, or renovation under this Contract, Concessionaire also shall be responsible for compliance with Government Code Section 4450, et seq., Access to Public Buildings by Physically Handicapped Persons, and Government Code Section 7250, et seq., Facilities for Handicapped Persons, and any other applicable laws. Written approval from State is required prior to implementation of any plans to comply with accessibility requirements.
These facilities must be compliant with the 2010 ADA Standards for Accessible Design, California Building Code, Title 24 Chapter 11B (latest edition), Accessibility to Public Accommodations, and the Final Accessibility Guidelines for Outdoor Developed Areas put forth by the United States Access Board.

32. **NONDISCRIMINATION**

During the performance of this Contract, Concessionaire and its employees shall not unlawfully discriminate, harass, or allow harassment against any employee, applicant for employment, or any member of the public because of sex, sexual orientation, race, color, religious creed, marital status, need for family and medical care leave, ancestry, national origin, medical condition (cancer/genetic characteristics), age (40 and above), disability (mental and physical) including HIV and AIDS, need for pregnancy disability leave, or need for reasonable accommodation. Concessionaire shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

For contracts over $100,000 executed or amended after January 1, 2007, the Concessionaire certifies compliance with Public Contract Code Section 10295.3 concerning domestic partners.

Further, as part of compliance with the foregoing, Concessionaire and Concessionaire's employees shall not discriminate by refusing to furnish any person any accommodation, facility, service, or privilege offered to or enjoyed by the general public. Nor shall Concessionaire or Concessionaire's employees publicize the accommodation, facilities, services, or privileges in any manner that would directly or inferentially reflect upon or question the acceptability of the patronage of any such person.

Concessionaire shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Division 4, Chapter 5. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990 (a)-(f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this Contract by reference and made a part hereof as if set forth in full. Concessionaire shall give written
notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. Concessionaire shall include the non-discrimination and compliance provisions of this clause in all contracts to perform work under and/or in connection with this Contract.

In the event of violation of this Section, the State will have the right to terminate this Contract, and any loss of revenue sustained by the State by reason thereof shall be borne and paid for by the Concessionaire.

33. **DRUG-FREE WORKPLACE**

Concessionaire agrees to comply with Government Code Section 8355 in matters relating to the provision of a drug-free workplace. This compliance is evidenced by the executed Standard Form 21 entitled Drug-Free Workplace Certification, Exhibit H, attached hereto and made a part of the Contract.

34. **CONFLICT OF INTEREST**

Concessionaire warrants and covenants that no official, employee in the state civil service, other appointed state official, or any person associated with same by blood, adoption, marriage, cohabitation, and/or business relationship: (a) has been employed or retained to solicit or aid in the procuring of this Contract; (b) will be employed in the performance of this Contract without the immediate divulgence of such fact to State. In the event State determines that the employment of any such official, employee, associated person, or business entity is not compatible, Concessionaire shall terminate such employment immediately. For breaches or violation of this Section, State shall have the right both to annul this Contract without liability and, in its discretion, recover from the Concessionaire the full amount of any compensation paid to such official, employee, or business entity.

35. **EXPATRIATE CORPORATIONS**

Concessionaire hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1 and is eligible to contract with the State.
36. NATIONAL LABOR RELATIONS BOARD CERTIFICATION

The Concessionaire, by signing this Contract, does hereby swear, under penalty of perjury, that no more than one final, unappealable finding of contempt of court by a Federal Court has been issued against Concessionaire within the two-year period immediately preceding the date of this Contract because of Concessionaire’s failure to comply with a Federal Court order that Concessionaire shall comply with an order of the National Labor Relations Board.

37. CHILD SUPPORT COMPLIANCE ACT

In the event the annual gross income generated as a result of this Contract shall exceed One Hundred Thousand Dollars ($100,000.00), Concessionaire acknowledges that:

A. The Concessionaire recognizes the importance of child and family support relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as obligations and shall comply with all applicable state and federal laws provided in Chapter 8 (commencing with Section 5200) of Part 5 of Division 9 of the Family Code; and

B. The Concessionaire to the best of its knowledge is complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

38. RECORDS AND REPORTS

Concessionaire shall keep separate true and accurate books and records showing all of Concessionaire's business transactions under this Contract in a manner that conforms to industry standards and practices and in a manner acceptable to State. Concessionaire shall keep all records for a period of at least four years.

In accordance with Public Resources Code Section 5080.18(b), copies of all sales and use tax returns submitted by Concessionaire to the California State Board of
Equalization, the Employment Development Department, the Franchise Tax Board, or any other governmental agency shall be concurrently submitted to State.

In accordance with Public Resources Code Section 5080.18(c), State shall have the right through its representative and at all reasonable times to conduct such audits as it deems necessary and to examine and copy Concessionaire’s books and records including all tax records and returns. Concessionaire hereby agrees to make all such records, books, and tax returns available to State upon State’s request therefor. Concessionaire further agrees to allow interviews of any employees who might reasonably have information related to such records.

Concessionaire will submit to State, no later than May 1st of each year during the term of this Contract, a verified profit and loss statement for the previous calendar year. Such statement shall be submitted on Form DPR 86, Concessionaire's Financial Statement, attached hereto as Exhibit F, or in a format previously approved by the State, and shall contain an appropriate certification that all gross receipts during the yearly accounting period covered by said statement shall have been duly and properly reported to the State. Within forty-five (45) days of the expiration or termination of this Contract, Concessionaire shall submit to the State a profit and loss statement for the period of operation not previously reported prepared in the manner stated above.

Concessionaire shall record in receipt books the purchase amount and name and address of each purchaser. Concessionaire shall submit to State immediately upon receipt the manifest or other documentation of the purchase of all receipt books and the books' corresponding serial numbers. A report containing the serial number range (beginning number and ending number), missing numbers, duplicate numbers, any other number inconsistencies, or a statement that all sets are serial numbered as specified with NO inconsistencies shall be submitted to State upon request. Concessionaire shall make all accounting records available to the State upon State's request.
39. **TAXES**

A. By signing this Contract, Concessionaire acknowledges that occupancy interest and rights to do business on state property being offered Concessionaire by this Contract may create a possessory interest as that term is defined in Revenue and Taxation Code Section 107.6, which possessory interest may subject Concessionaire to liability for the payment of property taxes levied on such possessory interest.

B. Concessionaire agrees to pay all lawful taxes, assessments, or charges that at any time may be levied by the State, County, City, or any tax or assessment levying body upon any interest in or created by this Contract, or any possessory right that Concessionaire may have in or to the premises covered hereby, or the improvements thereon by reason of Concessionaire's use or occupancy thereof or otherwise, as well as all taxes, assessments, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by Concessionaire in or about the Premises.

40. **PERFORMANCE EVALUATIONS AND INSPECTION**

As part of its administration of this Contract, State will conduct periodic inspections of concession facilities, equipment, services, and programs and prepare written performance evaluations based upon its observations. A Concessionaire Performance Rating (DPR Form 531) attached hereto as Exhibit G, or other similar format(s) as may be adopted by the State will be utilized for evaluation purposes. State further reserves the right of ingress and egress without notice to inspect concession operations for the purposes of evaluating Concessionaire's performance of the terms and conditions of this Contract; to inspect, investigate, and/or survey the Premises; and to do any work thereon of any nature necessary for preservation, maintenance, and operation of the State Park System. Concessionaire agrees to cooperate with State in all respects related to the implementation of State’s Concession Performance Evaluation program and with State’s activities on the Premises. State shall not be liable
in any manner for any inconvenience, disturbance, loss of business, nuisance, or other
damage arising out of State's entry in the Premises as provided herein, except damage
resulting from the active negligence or willful misconduct of State or its authorized
representatives.

41. DEFAULT BY CONCESSIONAIRE

A. Defaults: The occurrence of any one of the following shall constitute a
default and breach of this Contract by Concessionaire:

1) Failure to Pay Rent: Any failure of Concessionaire to timely pay any
rent due or any other monetary sums required to be paid hereunder
where such failure continues for a period of ten (10) consecutive
days after such sums are due.

2) Absence from Premises: Any complete absence by Concessionaire
or its agents and employees from the Premises for thirty (30)
consecutive days or longer. The Premises shall be deemed
abandoned after State has followed the procedures set forth in Civil
Code Section 1951.3.

3) Nuisance: Should Concessionaire create or allow to be created a
nuisance on the Premises, State may declare an immediate event
of default and enter upon and take possession and/or demand an
assignment of the right to operate the Premises without notice to
Concessionaire. For the purpose of this paragraph, “nuisance”
consists of an egregious activity that threatens the health, welfare,
and safety of the public. Concessionaire shall immediately vacate
the Premises and remove all personal property within thirty (30)
days after State’s declaration of default.

4) Failure to Observe Other Provisions: Any failure by Concessionaire
to observe or perform another provision of this Contract where such
failure continues for twenty (20) consecutive days after written
notice thereof by State to Concessionaire; this notice shall be
deemed to be the notice required under California Code of Civil
Procedure Section 1161. However, if the nature of Concessionaire's default is such that it cannot reasonably be cured within the twenty (20) day period, Concessionaire shall not be deemed to be in default if it is determined at the sole discretion of State that Concessionaire has commenced such cure within the twenty (20) day period and thereafter continues to diligently prosecute such cure to completion to the satisfaction of State.

5) Involuntary Assignments, Bankruptcy: State and Concessionaire agree that neither this Contract nor any interest of Concessionaire hereunder in the Premises shall be subject to involuntary assignment or transfer by operation of law in any manner whatsoever, including, without limitation, the following: (a) transfer by testacy or intestacy; (b) assignments or arrangements for the benefit of creditors; (c) levy of a writ of attachment or execution on this Contract; (d) the appointment of a receiver with the authority to take possession of the Premises in any proceeding or action in which Concessionaire is a party; or (e) the filing by or against Concessionaire of a petition to have Concessionaire adjudged a bankrupt, or of a petition for reorganization or arrangement under any law relating to bankruptcy. Any such involuntary assignment or transfer by operation of law shall constitute a default by Concessionaire and State shall have the right to elect to take immediate possession of the Premises, to terminate this Contract and/or invoke other appropriate remedies as set forth below, in which case this Contract shall not be treated as an asset of Concessionaire.

B. Notices of Default: Notices of default shall specify the alleged default and the applicable contract provision and shall demand that Concessionaire perform the provisions of this Contract within the applicable time period or quit the Premises. No such notice shall be deemed a forfeiture or a
termination of this Contract unless State specifically so states in the notice.

42. **STATE’S REMEDIES**

In the event of default by Concessionaire, State shall have the following remedies. These remedies are not exclusive; they are cumulative and are in addition to any other right or remedy of State at law or in equity.

A. **Collection of Rent:** In any case where State has a cause of action for damages, State shall have the privilege of splitting the cause to permit the institution of a separate suit for rent due hereunder, and neither institution of any suit, nor the subsequent entry of judgment shall bar State from bringing another suit for rent; it being the purpose of this provision to provide that the forbearance on the part of State in any suit or entry of judgment for any part of the rent reserved under this Contract, to sue for, or to include in, any suit and judgment the rent then due, shall not serve as defense against, nor prejudice a subsequent action for, rent or other obligations due under the Contract. The claims for rent may be regarded by State, if it so elects, as separate claims capable of being assigned separately.

B. **Maintain Contract in Effect:** The State has the remedy described in California Civil Code 1951.4 (lessor may continue lease in effect after lessee's breach or abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations). The following do not constitute a termination of the Concessionaire's right to possession: (1) Acts of maintenance or preservation or efforts to relet the Premises; (2) The appointment of a receiver upon initiative of the State to protect State's interests under the Contract; (3) Withholding consent to a subletting or assignment so long as such consent is not unreasonably withheld.

C. **Continued Performance:** At State’s option, Concessionaire shall continue with its responsibilities under this Contract during any dispute.
D. **Termination of Concessionaire’s Right to Possession**: Upon an event of default, State may terminate Concessionaire’s right to possession of the Premises at any time by written notice to Concessionaire. In the absence of such written notice from State, no act by State, including, but not limited to, acts of maintenance, efforts to relet and/or assign rights to possession of the Premises, or the appointment of a receiver on State's initiative to protect State's interest under this Contract shall constitute an acceptance of Concessionaire’s surrender of the Premises, or constitute a termination of this Contract or of Concessionaire's right to possession of the Premises. Upon such termination, State has the right to recover from Concessionaire:

1) the worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Contract;

2) the worth, at the time of the award, of the amount by which the unpaid rent that would have been earned after the date of termination of this Contract until the time of the award exceeds the amount of loss of rent that Concessionaire proves could have reasonably been avoided;

3) the worth, at the time of the award, of the amount by which the unpaid rent for the balance of the term after the time of the award exceeds the amount of the loss of rent that Concessionaire proves could have been reasonably avoided; and

4) any other amount necessary to compensate State for all the detriment proximately caused by Concessionaire's failure to perform its obligations under this Contract, which, without limiting the generality of the foregoing, includes any cost and expenses incurred by the State in recovering possession of the Premises, in maintaining or preserving the Premises after such default, in preparing the Premises for a new concessionaire, in making any repairs or alterations to the Premises necessary for a new concessionaire, in making any repairs or alterations to the...
Premises, and costs of clearing State's title of any interest of
Concessionaire, commissions, attorneys' fees, architects' fees, and
any other costs necessary or appropriate to make the Premises
operational by a new concessionaire.

"The worth, at the time of the award," as used herein above shall be
computed by allowing interest at the lesser of a rate of ten percent (10%)
per annum or the maximum legal rate.

E. Assignment at State's Direction: In the event of a default by
Concessionaire, when cure is not received and acknowledged by State
after having provided notice of the breach as provided herein above,
Concessionaire shall, in addition to the damages provided for herein, be
obligated to assign all rights to occupy, possess, and operate on and in
the Premises to State's designee within thirty (30) days of receipt of
written demand by State. Concessionaire shall further remove itself and
its personal property from the Premises within the same time frame.
Concessionaire agrees to execute all documents necessary to effectuate
and implement this provision. Upon such assignment, all rights of
Concessionaire under the Contract shall transfer to the assignee.
Any designated assignee, as provided for herein, shall take and operate
the concession under the same terms and conditions as those set forth
herein, except for requirements that have already been performed and are
no longer applicable. However, Concessionaire shall not be relieved of
obligations incurred. An assignment of the Contract pursuant to the terms
hereof shall not cause the Contract to terminate and shall not work a
merger.

F. Receiver: If Concessionaire is in default of this Contract, State shall have
the right to have a receiver appointed to collect rent and conduct
Concessionaire's business or to avail itself of any other pre-judgment
remedy. Neither the filing of a petition for the appointment of a receiver
nor the appointment itself shall constitute an election by State to terminate
this Contract.
G. **Right to Cure Concessionaire's Default:** At any time after Concessionaire commits a default, State can cure the default at Concessionaire's cost. If State, at any time by reason of Concessionaire's default, pays any sum or does any act that requires the payment of any sum, the sum paid by State shall be due immediately from Concessionaire to State, and if paid at a later date shall bear interest at the rate of ten percent (10%) per annum from the date the sum is paid by State until State is reimbursed by Concessionaire. Any such sum shall be due as additional rent.

H. **Personal Property of Concessionaire:** In the event any personal property or trade fixtures of Concessionaire remain at the Premises after State has regained possession or after an assignment is accomplished, that property or those fixtures shall be dealt with in accordance with the provisions for Surrender of the Premises provided below.

1) **State's Obligations After Default:** State shall be under no obligation to observe or perform any covenant of this Contract on its part to be observed or performed that accrues after the date of any default by Concessionaire. Such nonperformance by State shall not constitute a termination of Concessionaire's right to possession nor a constructive eviction.

2) **No Right of Redemption:** Concessionaire hereby waives its rights under California Code of Civil Procedure Sections 1174 and 1179 or any present or future law that allows Concessionaire any right of redemption or relief from forfeiture in the event State takes possession of the Premises by reason of any default by Concessionaire.

3) **Other Relief:** All monetary obligations of the Concessionaire of any kind shall be considered rent. State shall have such rights and remedies for failure to pay such monetary obligations as State would have if Concessionaire failed to pay rent due. The remedies provided in this Contract are in addition to any other remedies available to State at law, in equity, by statute, or otherwise.
4) No Buy-out: In accordance with Public Resources Code Section 5080.18 (h), where the Contract has been terminated due to a breach on the part of the Concessionaire under any terms of this Contract the State shall not be obligated to purchase any improvements made by Concessionaire or to pay the Concessionaire for said improvements before or after taking possession of the Premises.

43. DEFAULT BY STATE

State shall not be in default of the performance of any obligation required of it under this Contract unless and until it has failed to perform such obligation for more than thirty (30) days after written notice by Concessionaire to State specifying the alleged default and the applicable contract provision giving rise to the obligation. However, if the nature of State's obligation is such that more than thirty (30) days is required for its performance, then State shall not be deemed in default if it shall commence performance within such 30-day period and thereafter diligently prosecute the same to completion.

44. SURRENDER OF THE PREMISES; HOLDING OVER

A. Surrender: On expiration or within thirty (30) days after earlier termination of the Contract, Concessionaire shall surrender the Premises to State with all fixtures, improvements, and Alterations in good condition, except for fixtures, improvements, and Alterations that Concessionaire is obligated to remove. Concessionaire shall remove all of its personal property and shall perform all restoration required by the terms of this Contract within the above stated time unless otherwise agreed to in writing.

1) Personal Property: All of Concessionaire's personal property remaining on the Premises beyond such time specified in this Section shall be dealt with in accordance with California Code of Civil Procedure Section 1174 and California Civil Code Sections 1980, or such other laws as may be enacted regarding the
disposition of Concessionaires' property remaining at the Premises. Concessionaire waives all claims against State for any damage to Concessionaire resulting from State's retention or disposition of Concessionaire's personal property. Concessionaire shall be liable to State for State's costs in storing, removing, and disposing of Concessionaire's personal property or trade fixtures.

2) **Failure to Surrender:** If Concessionaire fails to surrender the Premises to State on the expiration, assignment, or within thirty (30) days after earlier termination of the term as required by this Section, Concessionaire shall hold State harmless for all damages resulting from Concessionaire's failure to surrender the Premises.

B. **Holding Over:** After the expiration or earlier termination of the term and if Concessionaire remains in possession of the Premises with State's express consent, such possession by Concessionaire shall be deemed to be a temporary tenancy terminable on thirty (30) days written notice given at any time by either party. During such temporary tenancy, the Minimum Rent shall be increased by Consumer Price Index adjustments required by this Contract in accordance with **Section 4, Rent**, unless otherwise agreed to in writing by State. Concessionaire shall pay such rent and all other sums required to be paid hereunder monthly on or before the fifteenth day of each month. All other provisions of this Contract except those pertaining to the term shall apply to the month-to-month tenancy.

45. **NO RECORDATION; QUITCLAIM**

A. **No Recordation:** This Contract shall not be recorded.

B. **Quitclaim:** Concessionaire shall execute and deliver to State on the expiration or termination of this Contract immediately on State's request, a quitclaim deed to the Premises and the rights arising hereunder, in recordable form or such other document as may be necessary, to remove any claim of interest of Concessionaire in and to all property belonging to the State. Should Concessionaire fail or refuse to deliver to State a
quitclaim deed or other documents as aforesaid, a written notice by State reciting the failure of the Concessionaire to execute and deliver said quitclaim deed as herein provided, shall after ten (10) days from the date of recordation of said notice be conclusive evidence against the Concessionaire and all persons claiming under Concessionaire of the termination of this Contract.

46. **ATTORNEY FEES**

Concessionaire shall reimburse the State on demand for all reasonable attorney fees (including attorney fees incurred in any bankruptcy or administrative proceeding or in any appeal) and expenses incurred by State as a result of a breach or default under this Contract. If Concessionaire becomes the prevailing party in any legal action brought by State, Concessionaire shall be entitled to recover reasonable attorney fees and expenses incurred by Concessionaire and need not reimburse the State for any attorney fees and expenses incurred by the State.

47. **WAIVER OF CLAIMS**

The Concessionaire hereby waives any claim against the State of California, its officers, agents, or employees for damage or loss caused by any suit or proceeding directly or indirectly attacking the validity of this Contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this Contract null, void, or voidable, or delaying the same or any part thereof from being carried out.

48. **WAIVER OF CONTRACT TERMS**

Unless otherwise provided by this Contract, no waiver by either party at any time of any of the terms, conditions, or covenants of this Contract shall be deemed as a waiver at any time thereafter of the same or of any other term, condition, or covenant herein contained, nor of the strict and prompt performance thereof. No delay, failure, or omission of the State to re-enter the Premises or to exercise any right, power, privilege, or option arising from any breach, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be
construed as a waiver of such breach or a relinquishment of any right or acquiescence therein. No notice to the Concessionaire shall be required to restore or revive time as of the essence after the waiver by the State of any breach. No option, right, power, remedy, or privilege of the State shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options, and remedies given to the State by this Contract shall be deemed cumulative.

49. INTERPRETATION OF CONTRACT

This Contract is made under and is subject to the laws of the State of California in all respects as to interpretation, construction, operation, effect, and performance.

50. DURATION OF PUBLIC FACILITIES

By entering into this Contract, State makes no stipulation as to the type, size, location, or duration of public facilities to be maintained at this unit, or the continuation of State ownership thereof, nor does the State guarantee the accuracy of any financial or other factual representation that may be made regarding this concession.

51. EMINENT DOMAIN

If, during the term of this Contract, any property described herein or hereinafter added hereto is taken in eminent domain, the entire award shall be paid to State.

52. TEMPORARY TENANCY

This tenancy is of a temporary nature and the parties to this Contract agree that no relocation payment or relocation advisory assistance will be sought or provided in any form as a consequence of this tenancy.

53. SECTION TITLES

The Section titles in this Contract are inserted only as a matter of convenience and for reference, and in no way define, limit, or describe the scope or intent of this Contract, or in any way affect this Contract.
54. **INDEPENDENT CONTRACTOR**

In the performance of this Contract, Concessionaire and the agents and employees of Concessionaire shall act in an independent capacity and not as officers or employees or agents of the State.

55. **ASSIGNMENTS AND SUBCONCESSIONS**

No transfer, assignment, or corporate sale or merger by the Concessionaire that affects this Contract or any part thereof or interest therein directly or indirectly, voluntarily or involuntarily, shall be made unless such transfer, assignment, or corporate merger or sale is first consented to in writing by State. Before State considers such assignment, evidence must be given to State that the proposed assignee qualifies as a "best responsible bidder" under the terms of Section 5080.05 of the Public Resources Code or "best responsible person or entity submitting a proposal" under the terms of Section 5080.23 of the Public Resources Code and the Bid Prospectus or Request for Proposals under which this Contract was awarded and executed. To be effective, any such assignment must comply with applicable law including, without limitation on generality, Public Resources Code Sections 5080.20 and 5080.23.

Portions of this concession may be operated by others under a subconcession agreement with prior written consent of State under the following conditions:

A. The subconcessionaire must be qualified.

B. The subconcessionaire’s interest shall be subordinate and in all ways subject to the terms of this contract.

C. Concessionaire’s gross receipts shall include all receipts of the subconcessionaire.

56. **MODIFICATION OF CONTRACT**

This concession contract contains and embraces the entire agreement between the parties hereto and neither it, nor any part of it, may be changed, altered, modified, limited, or extended orally or by any agreement between the parties unless such agreement be expressed in writing, signed, and acknowledged by the State and the Concessionaire or their successors in interest.
An amendment is required to change the Concessionaire’s name as listed in this Contract upon receipt of legal documentation to support such change.

Notwithstanding any of the provisions of this Contract, the parties may hereafter, by mutual consent expressed in writing, agree to modifications thereof, additions thereto, or terminations thereof, which are not forbidden by law. Such written modifications or additions to this Contract shall not be effective until signed and acknowledged by the State and Concessionaire and approved in writing by the Department of General Services and the Attorney General of the State of California. The State shall have the right to grant reasonable extensions of time to Concessionaire for any purpose or for the performance of any obligation of Concessionaire hereunder.

57. **UNENFORCEABLE PROVISION**

In the event that any provision of this Contract is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Contract have force and effect and shall not be effected thereby.

58. **APPROVAL OF CONTRACT**

This Contract, amendments or modifications thereof shall not be effective until approved by Department of General Services and the Attorney General of the State of California.

59. **CONTRACT NOTICE**

EXHIBIT K – WAIVER OF LIABILITY AND RELEASE

Waiver of Liability and Release, Express Assumption of Risk and Indemnity Agreement

I understand and acknowledge that there are risks of personal injury, death, and property damage while participating in the activities that are the subject of this rental agreement. The risks are inherent in these concession activities; still other risks may arise from conditions, situations, or activities of which I am presently unaware. My participation is voluntary and based on my independent assessment of the risks, without reliance on representations or advice by employees or representatives of the Concessionaire, the State of California, or any other person.

In consideration of being granted this rental agreement and the use of concession equipment,

I HEREBY RELEASE, WAIVE, AND RELINQUISH ALL CLAIMS AND LEGAL ACTIONS FOR PERSONAL INJURY, WRONGFUL DEATH, OR PROPERTY DAMAGE AGAINST CONCESSIONAIRE, AND AGAINST THE STATE OF CALIFORNIA, DEPARTMENT OF PARKS AND RECREATION (STATE), ARISING AS A RESULT OF MY PARTICIPATION IN THESE CONCESSION ACTIVITIES, OR ANY ACTIVITIES INCIDENTAL THERETO INCLUDING RESCUE ACTIVITIES; THIS RELEASE APPLIES EVEN IF CONCESSIONAIRE AND/OR STATE IS NEGLIGENT OR OTHERWISE AT FAULT. I ALSO AGREE TO PROTECT, HOLD HARMLESS, DEFEND AND INDEMNIFY CONCESSIONAIRE AND STATE FROM ALL CLAIMS AND LEGAL ACTIONS FOR PERSONAL INJURY, DEATH OR PROPERTY DAMAGE ARISING FROM MY CONDUCT; THESE INDEMNITIES APPLY EVEN IF CONCESSIONAIRE AND/OR STATE IS NEGLIGENT OR OTHERWISE AT FAULT.

I understand the effect of my signing this document is that I (1) acknowledge and assume all risk of injury, death, or property damage I might suffer while participating in these concession activities, even if it occurs as a result of the negligence of Concessionaire and/or State or defects in equipment, (2) absolve and release Concessionaire and State from the consequences of their negligence, including without limit, rescue efforts, and defects in equipment, and (3) will protect, hold harmless, indemnify and defend Concessionaire and State against any legal actions or other claims for damages arising from my actions. I UNDERSTAND THAT I AM FORFEITING IMPORTANT LEGAL RIGHTS AND INCURRING IMPORTANT LEGAL RESPONSIBILITIES.

I understand that certain minimum skills, capabilities, physical and mental health, and fitness are required in order to participate in dangerous activities such as these concession activities; I warrant that I possess these. I understand and agree that should emergency rescue services or evacuation become necessary, the expenses are my sole responsibility and not those of Concessionaire and/or State or any other public or private entity.

I warrant that I am executing this agreement voluntarily and that neither Concessionaire nor the State has made any representations to induce or coerce me to sign this document. I agree that the terms of this document bind me, my heirs, assigns, executors, and administrators, and expressly and specifically protect Concessionaire and State including, as applicable, their agents, employees, officers, directors, and shareholders.
