Spring 2005 Written Public Comments
(Submitted electronically)

12/2/05 DRAFT

Date comment received	Letter	Email	Natural/ Public Access/ Education/ Recreational/ Acquisition/ Other	Comment
11.19.04		x	Education	Interested in narration of Hwy 99.
12.27.04		x	Public Access, Natural	Suggests DPR consider Clover Valley in Rocklin.
12.28.04		x	Other	Stop "Wal-martization" of Central Valley.
12.28.04		x	Public Access, Other	Push the legislature to preclude local areas from building to the edge of State Parks.
12.28.04		x	Other	Idea to financially support project re Indian Casino money.
12.28.04		x	Public Access, Other	Suggests DPR consider Clover Valley in Rocklin.
12.28.04		x	Education	Advocate of preserving the history of Dust Bowl at Weedpatch Camp.
12.28.04		x	Other	State Parks restricts RV users' ability to use equipment and doesn't use DPR sites because of limitations. Update existing parks first.
12.29.04		x	Other	State too far in debt, has much surplus property, poor bond rating.
		x	Other	Apparent disconnect between acquiring lands and financing their use. State Park facilities are deteriorating.
12.29.04		x	Other	State get out of the parks business in the future. New parks will take away property tax revenue from counties.
12.30.04		x	Other	Wisest use of public lands for the creation of state parks includes low-impact human activities. Look at Stanislaus, San Joaquin and Tuolumne Rivers.
12.30.04		x	Other, Public Access	Worries about South Sacramento between Hwy 99 and I-5. Wants place to play for teens.
12.30.04		x	Other	Would much rather go to the mountains than a Central Valley State Park. Opposes any bond measure for the benefit of additional state parks in the Central Valley.
12.31.04		x	Recreation	Proponent of OHV use. Suggests expanding and creating SVRA's.
12.31.04		x	Other	Interested in sharing funding mechanism used at Pacheco SP. Endowments managed by third parties for management, maintenance, restoration and creation of environmental facilities.
