All Aboard for Story Time with FOX40 Meteorologist Darren Peck on Monday, January 29

SACRAMENTO, Calif. – It's *All Aboard for Story Time!* with FOX40 Meteorologist Darren Peck as a celebrity guest reader on Monday, January 29, at 11 a.m. at the California State Railroad Museum. To the delight of young children and train enthusiasts alike, Darren will read the children's book *Thomas Gets a Snowplow* (part of the Thomas and Friends series) written by Rev. W. Awdry. A meteorologist with FOX40 since 2011, Peck is inspired by all things outdoors. After he earned a degree from Cal State Northridge with an emphasis in Geomorphology and Climatology, Peck worked as an on-air meteorologist at TV stations in Flagstaff, Arizona and Las Vegas, Nevada, before relocating to Northern California and the great outdoors that never ceases to amaze him.

All Aboard for Story Time! is offered every Monday morning year-round. Through this interactive and fun program, parents are encouraged to let trains and railroading introduce and foster the love of reading with their imaginative young children ages two to five. The *Story Time!* program showcases different railroad-related books each month. Afterward, children and parents are encouraged to explore the Museum. Whether it's toy trains or big locomotives, there is always something to discover in the California State Railroad Museum – North America's most popular railroad museum – that will thrill children (and adults) of all ages.

The *All Aboard for Story Time!* program is included with Museum admission: \$12 for adults; \$6 for youths ages 6-17; free for children ages 5 and under. For more information about the reading program or the California State Railroad Museum in general, please call 916-323-9280 or visit <https://www.californiarailroad.museum/>.

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.

About the California State Railroad Museum Foundation

The mission of the California State Railroad Museum Foundation (CSRMF) is to generate revenue and awareness on behalf of its destinations, while supporting the preservation, interpretation and promotion of our railroad heritage. The Foundation provides funding for ongoing support of numerous programs, both at the museum's Old Sacramento location and at the historic park in Jamestown, Calif. The Foundation and its board of directors is currently laying groundwork for a future California Railroad Technology Museum capital campaign proposed as part of the downtown Sacramento railyard development project.
