Railtown 1897 Celebrates Memorial Day Weekend In Rail-Related Style

JAMESTOWN, Calif. – To kick off the summer season in rail-related style, popular weekend excursion trains will be running throughout the extended Memorial Day holiday weekend – May 26, 27 and 28, 2018 – at Railtown 1897 State Historic Park (SHP) in Jamestown. On Saturday and Sunday, steam-powered excursion train rides behind the famous Sierra No. 3[®] are available; then on Monday, visitors have the opportunity to take a ride behind a vintage diesel locomotive. Additionally, on Saturday and Sunday, crowd-favorite Speeder rides and interactive activities and crafts are available.

Plus, there are lots of other activities happening at the Park on a regular basis, including:

- The Depot Store, historic Roundhouse & Shops, Interpretive Center and grounds are open from 9:30 a.m. to 4:30 p.m. with guided tours available;
- Hands on History boxes on the deck where volunteers conduct “show and tell” activities and allow visitors to touch and learn about riveting, railroad signaling, track laying and more;
- Wooden caboose visits where guests can climb aboard a classic to get a sense of what it was like to be a brakeman on the railroad;
- Behind-the-scenes locomotive cab rides are available (for an additional fee) to get an up-close look at a historic locomotive in-action and experience railroading in a new way;
- Families are encouraged to bring a picnic lunch to enjoy on-site on the sprawling Roundhouse lawn.

With regular excursion train ride departures at 10:30 a.m., noon, 1:30 p.m. and 3 p.m. on Memorial Day Weekend, capacity is limited and visitors are encouraged to arrive early.
