Railtown 1897 Announces Diesel Train Rides on Wednesdays this Summer

Plus, Popular Story Time & Jr. Ranger Activities are Available for Kids

JAMESTOWN, Calif. – Back by popular demand, California State Parks and Railtown 1897 State Historic Park in Jamestown will offer two diesel train rides on Wednesdays at 10:30 a.m. and noon beginning on June 20 and continuing until August 15, 2018. Then at 11 a.m., young guests (ages up to 6) can enjoy popular and fun *Story Time* reading activities in the Caboose while children ages 7-12 can participate in the hands-on Jr. Rangers program that engages children with railroad history in an authentic setting and hands on track building with replica kid-sized track equipment.

All excursion train ride passengers will be treated to a six-mile, 45-minute round trip ride along the rails of the famous "Movie Railroad," passing through California's scenic Gold Country where scenes from many Hollywood movies were filmed. Guests are encouraged to spend the day at Railtown 1897 SHP by touring the Park and learning more about its authentic railroad facilities and fascinating role in the Hollywood and television industry. Midweek is a perfect time for Park guests to catch glimpses of important work being done inside the historic Roundhouse. Also, guests are invited to bring a picnic lunch to enjoy on the sprawling Roundhouse lawn while enjoying the day.

The Park is open daily and, in addition to the Wednesday diesel train rides (June 20 through August 15), steam-powered excursion train rides are also offered on Saturdays, holidays and special occasions. Tickets for regular excursion train rides include Park admission and cost \$15 for adults, \$10 for youths ages 6-17 and kids five and under are free. Advance train ride tickets are available online or at the ticket window beginning at 10 a.m. the day of the train ride on a first-come, first-served basis depending on availability. Advance train ride tickets are available at www.railtown1897.org and more information about excursion train rides or Railtown 1897 SHP in general is available by calling 209-984-3953.

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state’s extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.

About the California State Railroad Museum Foundation

The mission of the California State Railroad Museum Foundation (CSRMF) is to generate revenue and awareness on behalf of its destinations, while supporting the preservation, interpretation and promotion of our railroad heritage. The Foundation provides funding for ongoing support of numerous programs, both at the museum's Old Sacramento location and at the historic park in Jamestown, Calif. The Foundation and its board of directors is currently laying groundwork for a future California Railroad Technology Museum capital campaign proposed as part of the downtown Sacramento railyard development project.
