Friends of Sutter's Fort to Present Deliciously Delightful "Tour by Chocolate" Evening Event on May 12

Walking Tour Offers Unique Mother's Day Weekend Experience

SACRAMENTO, Calif. – In partnership with California State Parks and Sutter's Fort State Historic Park, Friends of Sutter's Fort is excited to present a delicious and all-new "Tour by Chocolate" event on Saturday evening, May 12, 2018 at 6 p.m. Fort visitors who participate in this inaugural walking tour will learn about the fascinating history of Sutter's Fort and its interesting connections to chocolate, such as how it was used for medicinal purposes, the role it played in the Donner Party rescue, and more.

During the 45-minute walking tour, knowledgeable Fort staff, volunteers and docents will lead guests through five to six rooms to learn interesting nuggets about the Fort while sampling chocolates, many of which are locally made and graciously provided by amazing Northern California chocolatiers and candy companies such as Ginger Elizabeth, Tombo Toffee and Z Cioccolato. At the end of the tantalizing tour, guests will be treated to a slice of chocolate cake along with other tasty sweets.

All proceeds from this rare evening event will support the ongoing efforts of the Friends of Sutter's Fort, a nonprofit 501 c 3 organization who works every day to provide critical funding for the educational programming, and restoration efforts at Sutter's Fort State Historic Park.

Admission to this special "Tour by Chocolate" walking tour at Sutter's Fort SHP start at \$25 per person for limited early bird pricing available through 4/30 (for adults and children ages 12 and over) before they increase to \$40 on May 1. Additionally, members can enjoy discounted tickets for \$20 through 4/30. For advance tickets or more information, please call 916-445-4422 or visit www.suttersfort.org.

Friends of Sutter's Fort

The Friends of Sutter's Fort is a nonprofit 501 (C) (3) organization that believes experiencing history first-hand at Sutter's Fort State Historic Park can be a positive life-changing experience for all generations. As a Cooperating Association, we work to provide California State Parks with critical funding for restoration and preservation projects, and we support the Fort's renowned educational programs. For more information, please visit www.suttersfort.org.

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.
