Railtown 1897 Offers Popular “Harvest Haunt Express” Train Rides in October *Special Train Rides Pulled by the Famous Sierra No. 3 on Saturdays*

JAMESTOWN, Calif. – With fall in the air, Railtown 1897 State Historic Park (SHP) is proud to offer family-friendly “Harvest Haunt Express” train rides on four upcoming consecutive weekends: October 6-7, October 13-14, October 20-21 and October 27-28. Staffed by a “skeleton crew,” the popular train rides take place aboard an excursion train that departs on-the-hour from 11 a.m. to 3 p.m. On Saturdays, the excursion train will be pulled by Sierra No. 3 (the “Movie Star Locomotive”) and on Sundays by a steam or vintage diesel locomotive. Plus, free pumpkins will be provided to those taking a train ride all month long.

To kick off the month of “Harvest Haunt Express” train rides, live music, entertainment, caboose tours, operational track cars on display, the belt drive machine shop in action in and around the Roundhouse, and more will be offered to the public all day on Saturday, October 6. Families are encouraged to spend the day at Railtown 1897 SHP and enjoy the picnic facilities on the sprawling Roundhouse lawn.

Located in the heart of California’s Gold Country, Railtown 1897 SHP combines railroad heritage, local history and the lure of Hollywood and is one of only two authentic and still-operating steam-era railroad roundhouse complexes in the entire country. The Park is home to the famous “Movie Star Locomotive” Sierra No. 3, which has an impressive history of starring in more than 200 high profile film and television productions such as “*High Noon*,” “*Back to the Future 3*” and “*Petticoat Junction*.”

Tickets for “Harvest Haunt Express” train rides (which include Park admission) are \$13 adults, \$6 youths ages 6-17, ages 5 and under are free. To make advance online reservations, visit www.railtown1897.org or call (209) 984-3953 for more information.
