Railtown 1897 Seeks Interested Volunteers, Hosts Special Open House & Training Program *Volunteer Open House on February 2; Applications Due February 4*

JAMESTOWN, Calif. – Fascinated by trains? Enjoy working with people from near and far? A rail enthusiast at heart? Railtown 1897 State Historic Park (SHP) is now accepting applications for people interested in volunteering to help communicate the fascinating railroading history of the “Movie Railroad” in the beautiful Sierra foothills. Interested volunteers are encouraged to attend a Volunteer Open House on Saturday, February 2, beginning at 9 a.m. Volunteer applications must be submitted by Monday, February 4, and a thorough volunteer training program will begin on February 9. Community members are encouraged to join this worthwhile program that offers an opportunity to support the local state historic park while learning more about California’s rich history, meeting new people and developing friendships with those who share similar interests.

While no previous experience with trains or public service is required, recruitment is currently underway for the following volunteer positions in 2013: Car Hosts, Ticket Agents, Tour Guides, Costumed Greeters, and Fire Patrol Operators (entry level engine crew). At the Open House, prospective volunteers will have the opportunity to meet one-on-one with the park staff, and talk to current volunteers to learn about the various positions that are available. Informal tours of the operation will be conducted, and snacks will be served. This is also a great day to visit -- even for those not interested in volunteering -- as the historic Roundhouse will be filled with activity as volunteers showcase their skills.

Railtown 1897 SHP is known for its century-old steam maintenance shops and train rides, including popular rides behind the recently restored Sierra No. 3 (also known as the “Movie Star Locomotive”). In addition to the weekend excursion steam trains, Railtown 1897 SHP offers daily tours, roving interpreters, and many special events.

Benefits for volunteering at Railtown 1897 SHP include membership in the California State Railroad Museum Foundation, free entrance and train rides at Railtown 1897 SHP and at the California State Railroad Museum, a variety of social activities, interesting training opportunities and guest speakers, discounts at the Depot Store, and participation in an annual volunteer recognition dinner. Interested volunteers can download a volunteer application at www.railtown1897.org. To explore additional ways to support or get involved with Railtown 1897 SHP, email park staff at railtownnews@parks.ca.gov or call 209-984-4408.
