22	23 Interview Workshop	24	25 Mock Interviews	26 Spring Classic	27	28

**Tryout Policy -- Only previous JGs, who have completed one or more sessions previously are eligible to join the Fall/Spring sessions. The maximum capacity is 20 JGs; tryouts will be held to admit 20 participants based on competitive tryout; regardless of when participants registered. Tryouts will be held one week prior to the start of the session.

**Parent meeting will be held at the GBAC located at the park entrance at the end of Douglas Blvd. Given that Fall/Spring sessions are different in nature than regular summer sessions and have advanced skills covered, attendance at the parent meeting is highly important.

If you are interested in becoming a paid State Parks Seasonal Lifeguard, tryouts will be held 3/7/2020. Email ryan.steele@parks.ca.gov for more info.

March 17-18th will be held at Negro Bar State Park. More information to be provided. March 19th is bike day pending weather conditions. If weather does not permit for Bike Day we will be holding Trauma Day instead at the GBAC.
