

Morro Bay State Park

2 hours and 28 minutes from Fresno

Morro Bay State Park features lagoon and natural bay habitats. The bay's most prominent landmark is Morro Rock. Along with the park's museum, the park has opportunities for sailing, fishing, hiking and birdwatching. The Museum of Natural History in Morro Bay has exhibits that cover natural features and cultural history, Native American life, geology and oceanography.

Day Trip Option

Visit the Chumash garden along the side of the museum to learn how the Chumash used the native plants in their daily lives. In addition to The Museum of Natural History in Morro Bay, the state park offers recreational activities for all ages, including swimming, fishing and boating.

Tips on how to recreate responsibly during your visit are available at parks.ca.gov/SafetyTips.
