Russian Gulch and Mendocino Headlands State Parks

(707) 937-5804

**OCCUPANCY** Eight people are allowed per family campsite.

**VEHICLE PARKING** You may have only three licensed pieces of equipment (including trailers and vehicles) in each campsite. All motorized vehicles are subject to fees. Call for information on the extra vehicle charge. If your second or third vehicle does not fit in the designated parking area at the campsite, it must be parked in the overflow area. For parking purposes, trailers are considered vehicles.

**CHECKOUT TIME** Checkout time is 12 noon. Please vacate your site by that time.

**DOGS** Dogs must be kept on a leash no longer than six feet and under control at all

times. They are not permitted in buildings or on most trails. Dogs must be confined to a vehicle or tent from 10:00 p.m. to 6:00 a.m.

**FIRES AND FIREWOOD** Please be cautious when building fires—wildfire danger is especially high during the summer. Fires are allowed only in established fire rings or camp stoves. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood at the Entrance Station and Camp Host Site. The sale of firewood provides funds for the Mendocino Area Park Association. These funds are used to support interpretive programs in the park.
