

Sonoma Coast State Park

3095 Highway 1 • Bodega Bay, CA 94923 • (707) 875-3483

Long sandy beaches below rugged headlands, a craggy coastline with natural arches and secluded coves are features that make Sonoma Coast State Park one of California's most scenic attractions. The beach extends 17 miles from Bodega Head to Vista Trail located 4 miles north of Jenner. Beachcombers, fishermen, sunbathers and picnickers can access the beach from more than a dozen points along coast Highway 1.

PARK FEES are due and payable upon entry. Use the self-registration system by selecting an available campsite and filling the envelope according to the instructions. The campsite fee covers one vehicle. There are additional fees for extra vehicles. Please use one envelope per vehicle.

OCCUPANCY: Each campsite may have up to 8 persons (including children). Two vehicles maximum are allowed per campsite.

VEHICLE PARKING: Vehicles are only permitted to be parked in the parking lot. Camping in a vehicle in the parking area is not permitted. Vehicles must not extend into the roadway or be parked offroad.

CHECK-OUT TIME is noon. Check-in is 2 p.m.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists and children are present, even 15 mph might be too fast. Use good judgment. Remember not to drink and drive.

QUIET HOURS are from 10 p.m. to 6 a.m. Please do not disturb other campers, regardless of the time of day or night. Generators may only be operated between the hours of 10 a.m. and 8 p.m.

PETS/DOGS are not permitted on trails or in the environmental campgrounds, Pomo Canyon and Willow Creek. Dogs are permitted in Bodega Dunes and Wrights Beach campgrounds provided fees are paid and they are kept on a leash not longer than six feet. Pets must be under control at all times and not left unattended.

FIRES AND FIREWOOD: Please be cautious when building fires. Fires are allowed only in established fire rings or camp stoves, and are not permitted on the beach. Do not build ground fires outside the fire rings or leave campfires unattended. Do not

gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood from the camp hosts.
