

Sonoma Coast State Park Bodega Dunes Campground

3095 Highway 1 • Bodega Bay, CA 94923 • (707) 875-3483

Long sandy beaches below rugged headlands, a craggy coastline with natural arches and secluded coves are features that make Sonoma Coast State Park one of California's most scenic attractions. The beach extends 17 miles from Bodega Head to Vista Trail located 4 miles north of Jenner. Beachcombers, fishermen, sunbathers and picnickers can access the beach from more than a dozen points along coast Highway 1.

PARK FEES are due and payable upon entry into the park. Use the self-registration system if the entrance station is closed. The campsite fee covers one vehicle. There are additional fees for extra vehicles. Showers require a quarter to operate.

OCCUPANCY: Each campsite may have up to 8 persons (including children). Three vehicles maximum are allowed per campsite

VEHICLE PARKING: Vehicles may only be parked in your assigned campsite or the overflow lot. They must remain on the pavement and must not extend into the roadway beyond the campsite number or limit line.

CHECK-OUT TIME: Please vacate your site by noon. Check-in is 2 p.m. The two hour gap is used to service the campsites

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists and children are present, even 15 mph might be too fast. Use good judgment. Remember not to drink and drive.

QUIET HOURS are from 10 p.m. to 6 a.m. Please do not disturb other campers, regardless of the time of day or night. Generators may only be operated between the hours of 10 a.m. and 8 p.m.

PETS/DOGS are not permitted on trails or in the environmental campgrounds, Pomo Canyon and Willow Creek. Dogs are permitted in Bodega Dunes and Wrights Beach campgrounds provided fees are paid and they are kept on a leash not longer than six feet. Pets must be under control at all times and not left unattended.

ALCOHOL is allowed within the campsite in which you are registered only; no alcohol allowed in day-use areas or on trails. You must be 21 years of age to consume or possess alcohol.

FIRES AND FIREWOOD: Please be cautious when building fires. Fires are allowed only in established fire rings or camp stoves, and are not permitted on the beach. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood from the camp hosts.

ENVIRONMENTAL CAMPGROUND RULES:

- Vehicles may not be driven into the campsites, and camping in a recreational vehicle in the parking area is not permitted
- Fires are allowed only in the fire rings provided; you may use your camp stove.
- You may stay for a maximum of seven consecutive days per stay; no more than 30 days per year. Occupancy is limited to 8 persons per site.
- Swimming or wading in the Russian River is not recommended. The river is treacherous due to submerged obstacles, uneven bottom and unpredictable current; no lifeguard service is available.
- Keep your site clean, and leave it looking as if no one had ever camped there.

NOTE OF CAUTION: Please be safe while visiting Sonoma Coast State Park. Like most North Coast beaches, the Sonoma Coast is not for swimming. Cold water, strong rip currents, backwash and large, unpredictable waves have caused many deaths. These conditions make surf, play and climbing on nearby rock out-croppings danegerous and unsafe.
