

Salt Point State Park

25050 Highway One, Jenner, CA 95450 • (707) 847-3221

Salt Point State Park encompasses one of the first underwater preserves in California. Check current regulations for fishing in the area. Fishing is restricted at Gerstle Cove Marine Reserve, where marine life is completely protected. The inland portion of the park features both grassland and forest areas. Popular activities at Salt Point State Park include camping, picnicking, fishing, diving, climbing, as well as hiking and whale watching.

PARK FEES are due and payable upon entry into the park. Use the self-registration system if the entrance station is closed. The campsite fee covers one vehicle and one legally-towed-in vehicle. Additional fees apply for extra vehicles.

OCCUPANCY: Eight persons maximum are allowed per campsite, including children.

VEHICLE PARKING: Vehicles may be parked only in your assigned campsite. They must remain on the pavement and must not extend into the roadway beyond the campsite number or limit line. One primary vehicle is included in the camping fee. Please register all vehicles at the entrance station for your campsite before parking.

CAMPsites: All campsites are equipped with a picnic table and a fire ring. Fires are permitted in fire rings only. Firewood may be purchased at camp host sites. Gathering of dead wood is prohibited; it must be recycled into the soil.

CHECK-OUT TIME is noon. Please vacate your site by that time. Check-in time is 2 p.m.

DOGS must be kept on a leash no longer than six feet and under adult supervision at all times. Dogs are not permitted on trails or beaches. Please clean up after your pets. Dogs must be confined to a vehicle or tent at night.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists, and children are present, even 15 mph might be too fast. Use good judgment.

QUIET HOURS are from 10 p.m. to 6 a.m. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night.

NOISE: Radios and other sound-producing devices must not be audible beyond your immediate campsite, regardless of the time of day or night.

GENERATORS may be operated only between the hours of 10 a.m. and 8 p.m.

BICYCLES: Mountain bikes are permitted on fire roads from May 1 through October 31. Bicycle riders under age 18 must wear a helmet. Bicycles ridden after dark must have a light. Please ride safely.

DAY USE: South Gerstle Cove also has picnic tables and a primitive toilet with no running water. While enjoying your stay at Salt Point State Park, please stay on the trails and do not disturb any plants, animals, or other natural features within the park. See www.wildlife.ca.gov before fishing and diving

OCEAN SAFETY: The ocean and shoreline in the area around Salt Point State Park can be very dangerous. Please check in with park staff if you have any questions about ocean conditions. Use extreme caution when you are in or near the water.

CAMPING RESERVATIONS: You may make camping reservations by calling (800) 444-7275 (TTY 800-274-7275).

To make online reservations, visit our website at www.parks.ca.gov.
