ORDER NO. 645-383

“South Forebay and Nelson Bridge Day Use Area Closure”

June 9, 2022

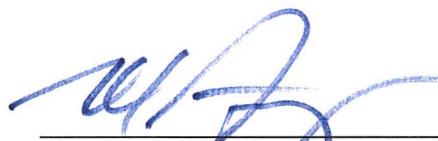

In order to ensure the health, safety, and convenience of the public, the following regulations shall apply, in accordance with the provisions of Section 4326 of Title 14, California Code of Regulations, the following waters and facilities of Lake Oroville State Recreation Area shall be closed to the public from 8:00 A.M. on Saturday, June 11th, 2022, to 8:00 A.M. on Monday June 13th, 2022:

The following lands and waterways at the South Forebay a subunit of the Lake Oroville State Recreation Area are closed to public use, entry or occupancy:

- a. All land and waterways within the South Forebay subunit. This includes, but is not limited to the entry points located at:
 - i. Grand Avenue (main entrance located at 39°30'34.67" N by 121°37'29.26 W).
 - ii. Nelson Avenue Bridge Day Use Area (turnout located at the north side of the Nelson Avenue bridge located at 39°31'34.37" N by 121°36'53.75 W).
 - iii. Access via the levee system impounding the water at Thermalito South Forebay.
 - iv. Access via the backside of the Poplar Avenue Elementary School.

The above listed temporary closures are in effect for the Northern California Outboard Association, a special event held at the South Forebay a subunit of the Lake Oroville State Recreation Area (LOSRA).

Exceptions to this order may only be granted in writing by the District Superintendent, Northern Buttes, District, 400 Glen Drive, Oroville, CA 95966. Nothing herein contained shall be construed in derogation of other provisions of law.
