Friends of Clear Lake State Park 2017 Wildflower Brunch

It's time to get ready to enjoy the delicious made-to-order omelets that the Clear Lake State Park Interpretive Association offers at the annual Wildflower Brunch. The event is planned for Saturday, April 29, 2017, with brunch being served from 9 a.m. to 12 noon. If you've attended this event before, you'll remember that there are twelve different fillings to choose for your cooked-to-order omelet, an enticing selection of pastries and an array of fresh fruits in addition to orange juice and coffee, all served near the Pavilion within the Park.

This major fundraiser for CLSPIA has been a tradition since 1996 with all funds raised going toward enhancing the Park. Education and Interpretation are a major part of the program, and the building of the Education Pavilion was all financed through the fundraising efforts of CLSPIA. Many other projects have come into being in the Park through the years and now there is a new one taking shape. Plans are in the 'works' for a new Campfire Center to be built just south-east of the Pavilion. The board of CLSPIA is excited to be starting on this new project!

There will be about seven stoves ready to cook the omelets and several 'celebrity chefs' to man the stoves. There is talk that there might be some heated competition among some of the 'chefs' to see who might make the best-tasting and best-looking omelets. David Neft will again be entertaining us with his amazing selection of piano tunes during the Brunch. He welcomes requests and never disappoints!

Plan on coming out to Clear Lake State Park on Saturday, April 29, 2017 to enjoy the beautiful surroundings while savoring a plump omelet and decadent pastry along with fruit, orange juice and coffee. The visitor center will be open from 10 a.m. to 2 p.m. that day with lots of new things to see and buy.
