13 February, 2017

To Whom It Concerns:

On February 7<sup>th</sup>, 2017 the Lake County Board of Supervisors unanimously approved a new master fee schedule for the county. As a consequence, many county fees increased on February 13<sup>th</sup> including the Quagga Mussel sticker fee. The new cost for the sticker will be \$20.00 for either resident or visitor stickers. The increased revenue will allow the Quagga mussel prevention program to operate without a deficit which in turn, will allow other Water Resources funds to be used for the benefit of the lake and our users.

Thank you for your cooperation and support.

Sincerely,

  
Philip B. Moy, PhD
