## Clear Lake State Park Reopens for Day Use, Boating Only

*KELSEYVILLE, Calif.* - Clear Lake State Park will be open for day use starting on Wednesday March 15, 2017. Day use hours are sunrise to sunset. Campgrounds and cabins remain closed due to flooding and storm damage.

The park has been closed since February 9, 2017 due to flooding of main park roads, campgrounds, cabins, boat launch, day use, and restroom facilities. Reopening of the campgrounds is still undetermined as erosion and facilities damage are still being evaluated as floodwaters have not receded enough to access all areas.
