## Come see what spring is bringing to Anderson Marsh State Historic Park

Anderson Marsh State Historic Park continues to hold monthly guided nature walks. The next walk is scheduled for Saturday morning, April 8<sup>th</sup>. Bring binoculars, sturdy shoes, water and sun protection. Meet in front of the Ranch House at 8:15am for time to experience the early morning wildlife to be found in the Ranch House and Barn complex yard.

State Parks Docent Henry Bornstein will lead the guided walk. Many of the trees are beginning to leaf and flower. The recent rains will have encouraged wildflowers and the birds and bees are becoming active.

The April 8<sup>th</sup> walk will explore the Ridge, Marsh and Anderson Flats trails. It should last about 2 hours. There will be NO tour of the historic Ranch House afterwards. There is no charge and parking is free for those attending this event.

Anderson Marsh State Historic Park is located on Hwy 53, between Lower Lake and Clearlake. For more information about the walks, email [info@andersonmarsh.org](mailto:info@andersonmarsh.org) or call (707) 995-2658.

###

### **About California's Drought**

California has been dealing with the effects of drought. To learn about all the actions the state has taken to manage our water system and cope with the impacts of the drought, visit [Drought.CA.Gov](http://Drought.CA.Gov).

Every Californian should take steps to conserve water at home, at work and even when recreating outdoors. Find out how at [SaveOurWater.com](http://SaveOurWater.com)

### **California State Parks Mission**

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.
