- Youth school groups may reserve FREE visits Monday thru Friday from 10:00 to 4:00.
- To schedule youth school group visits, call **ReserveAmerica** at **(866) 240-4655**.
- For further assistance and Museum information, please call the Museum at **(916) 324-0971**.

IMPORTANT:

You may choose a ½ hour or full hour for your visit. Please inform the Reserve America agent of your preference at time of booking.

To help make your group's visit to the Museum a great experience, and help with the preservation of the cultural items in the Museum, please observe the following:

- Please station your group outside and come in to check-in with staff on duty. Provide a count of students & adults, then lead your group around to the **K Street** door entrance. *Please do not use the general public entrance to bring your group inside.*
- Please make sure that no student or adult has open containers of food, beverages (including coffee), gum, or any plant material. Plant materials and other associated items can bring pests into the Museum.
- Fire safety laws limit the number of persons allowed in the Museum. In order for the Museum to allow as many groups as possible to visit, we ask that groups leave promptly at the end of each scheduled visit unless otherwise arranged with Museum staff.
- If your students wish to purchase items from the museum store we suggest that adult supervisors rotate groups of students through the store during your visit. If space allows we will readmit chaperoned small groups of students to continue shopping.
- If you plan to eat a picnic lunch on the park grounds, please make arrangements to bag your trash and take it with you. Trash cans are available throughout the park grounds.
- If you are going to be late, please call and let us know (916 324-0971). Groups that are more than ten minutes late may forfeit their reserved time and have to wait or reschedule. We accept cancellations up to the day of your visit.
- No-show, no-call groups will be charged a \$25 fee.
