

Wedding Date Lottery

Due to the popularity of our wedding program at Empire Mine State Park, the number of requests we receive exceeds the number of dates we have available. In order to provide a fair means of determining who gets what dates, we are conducting a random lottery. If you wish to be considered for a wedding date for **2020**, you must complete this form and have it turned into the Special Events Office by 4pm on June 15, 2019. Names will begin being drawn at 9:00 am on June 19, 2019 and those persons contacted. **Please do not call the park office if you have submitted this form**, we will call you in the order your name has been chosen. Please allow 48-72 hours for us to call you as we get through all the lottery submissions. Persons who show up in person will be asked to fill out this form and will be contacted as stated.
