

Volunteers Wanted

Año Nuevo State Reserve

The California Department of Parks and Recreation is looking for enthusiastic nature lovers. After attending the docent training, volunteers become docent naturalists skilled in interpreting our natural and cultural history. Docents lead guided walks during the Elephant Seal breeding season, and are roving naturalists in the spring, summer, and fall.

Join our family of naturalists and enjoy the many benefits of being a volunteer at Año Nuevo State Reserve.

Training begins in September.

For more information or to request an application please contact the docent coordinator at **650-879-2032** or email **anovolcoordinator@parks.ca.gov**
