Seacliff State Beach is one of the most popular beachfront campgrounds in California. Home of the 435-foot S.S. Palo Alto, Seacliff State Beach campground offers RV campers 26 full hookup sites and 38 non hookup sites. With nearly 2 miles of shoreline on the Monterey Bay Marine Sanctuary, a visitor center museum, fishing pier, and group picnic area with barbecue grills, it's no wonder Seacliff State Beach is such a favorite destination.

CAMPING FEES are due and payable upon entry into the park. Fees include one vehicle and one legally towed vehicle or trailer. Extra vehicles will be charged a fee. Campers registering with discount passes—e.g. Disabled Discount Pass (DDP) or Distinguished Veteran Pass—must present discount card and picture ID at check-in time. Discount pass holder must be present when registering and while camping. Campers must have recreational vehicles (RVs) present when registering for a campsite. Registration tags are non transferable. Day-use passes are not valid in the campground.

OCCUPANCY/PARKING: Only one RV and a maximum of eight people are allowed per campsite. Awnings, bumpers, and camping equipment must not extend over or into the walkway, roadway, or adjacent sites. The maximum consecutive stay is seven days. When the maximum stay is over, the visitor(s), equipment, and/or vehicle(s) must vacate the campground for a period of 48 hours before returning.

RECREATIONAL VEHICLES (RVs): Only self-contained RVs are allowed in the campground. Self-contained is defined by permanent, working plumbing fixtures, completely sealed and flushable toilets, and permanently affixed fresh, gray, and black water tanks. Porta-potties, cassette toilets, and portable holding tanks are not allowed. No effluent, gray, or fresh water may be dumped onto the ground. Do not wash vehicles or hose down campsites.

HOOKUP SITES: Maximum RV length is 45 feet. RVs must be backed in. For non hookup sites, the maximum RV length is 35 feet in Lot A and 45 feet in Lots B and C. Water and a sanitation station are available at nearby New Brighton State Beach.

NON RESERVATION SITES: A limited number of non hookup campsites are sold by lottery each day. Prospective campers must be present with their RVs before noon to sign up for the lottery. Remaining campsites will be first-come, first-served. Non reservation sites do not allow tents. Campers must bring their own raised fire rings and picnic tables.

CHECK-OUT time is noon. Please vacate your site by that time. Check-in time is 2 p.m. When checking out early, campers must inform entrance station staff to receive a possible refund for unused days.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians are present, even 15 mph might be too fast. Use good judgment.

DOGS must be kept on a six-foot-maximum leash and may not be left unattended at any time. They are allowed only on paved roads or in your campsite. Dogs are not permitted on fire roads or trails (except for service dogs). Dogs must be confined to a vehicle or tent at night. Please clean up after your pets.

QUIET HOURS are from 10 p.m. to 8 a.m. Generators may be operated only between the hours of 10 a.m. and 8 p.m.

FIRES: Fire rings in campsite must be raised up off the ground to prevent damage to the asphalt. No fires on the beach. Beach bonfires are permitted in state-provided fire rings seasonally placed at Rio Del Mar Beach and New Brighton State Beach.

ALCOHOL and glass containers are not allowed beyond your campsite.

DAY USE offers beach access, restrooms, outdoor showers, and picnic tables. Day use is open from 8 a.m. to sunset.
