## *Student Living History Program DAY 2018*

Dear teachers, parents and educational leaders,

Fort Tejon State Historic Park offers a unique alternative to the overnight Student Living History Program. The Student Living History Program Day (SLHPD) for grade schools and middle schools. We invite you to enroll your class in this shorter day program. Take your students on a trip back in time to 1850s California and experience the everyday life of a soldier stationed at Fort Tejon, a Western U.S. Army outpost.

The Day Program has more dates available to schedule your trip. Programs run for one day from about 9am to 3pm. Pre-visit training is not required, but encouraged. Parents will assist at your choice of 3 stations lead by State Parks Staff or Volunteers. Please submit your preferred and alternate trip dates as soon as possible, as reservations are made on **a first come, first serve basis**. Apply for this program by submitting the enclosed Program Reservation Form and a \$50.00 non-refundable deposit (per trip).

This year we have a number of stations to choose from; Blacksmithing, Carpentry, Kitchen, Adobe Brick Making, Laundry and Candle Making, and Scavenger Hunt. We are now offering two choices in Carpentry: Tools That Built Fort Tejon, where students use a number of historically accurate hand tools under the supervision of one of our trained and knowledgeable carpenters. Or, with materials supplied and prepared by parents of your school, students under the supervision of adult assistants will create their very own tool box.

Fort Tejon's non-profit partner, Fort Tejon Historical Association, is offering a limited number of bus scholarships to defray transportation costs. Title 1 schools receive first priority for SLHP bus scholarships, but other schools will be considered.
