*Pismo State Beach offers all kinds of attractions: hiking, swimming, surf fishing, kite surfing and horseback riding. It is also the only beach in California where it is permitted to drive a vehicle along the shore. While in the area, enjoy a tour through the new visitor center located in front of the campground area. Go for a leisurely walk and observe the California native plant garden spread out around the lagoon trail. During the summer months, be sure to ask our staff about our educational program's and campfire talks.*
