**Trail Use within Chino Hills State Park**

Revised to address use of Electric Bicycles and North Ridge Trail closure

December 10, 2018  
Inland Empire District

SUPERINTENDENTS ORDER # 950-18-002  
Supersedes orders 951-03-002 and 951-14-001

**Whereas:** Most trails within Chino Hills State Park are designated as multi-use,

**Whereas:** The growth and popularity of Electric Bicycles (e-Bikes) has numerous negative impacts to the special resources, park operation, and the unique visitor experiences afforded by Chino Hills State Park. E-Bikes are an emergent technology generally inconsistent with the Chino Hills State Park experience. E-Bikes can have negative impacts on the regional wildlife found within Chino Hills State Park by interfering with wildlife activity and movement, of which Chino Hills State Park is vital for,

**Whereas:** North Ridge Trail conditions remain unsafe west of Gilman Trail due to erosion and use is not permitted until proper trail repair can be conducted,

**Therefore:**

1. All designated roads and trails within Chino Hills State Park are open to public entry and use by foot, traditional mountain bicycle and horse with the exception of:
  - A. Closure to **MOUNTAIN BICYCLE AND HORSE** use:
    - 1) Water Canyon Trail
    - 2) Easy Street
    - 3) Hills For Everyone Trail
  - B. Closure to **MOUNTAIN BICYCLE** use: Gilman Trail and Bobcat Loop
  - C. Closed to **E-BIKES**: All trails
  - D. Closed to **ALL USE**: North Ridge Trail west of Gilman Trail due to unsafe conditions
  - E. Closed to **ALL USE**: during Red Flag wind conditions and for at least 48 hours after the ceasing of any rain or inclement weather where more than 1/4 inch of precipitation has fallen. Bane Canyon and Carbon Canyon entrances will be posted for closure on affected days.
2. All persons shall stay on designated trails. Designated trails will be marked.

3. Speed limit on all trails and roads within Chino Hills State Park is 15 mph.
4. The District Superintendent, or designee may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All Exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
5. Nothing herein shall affect any existing private, contractual, and residential or property rights.
6. This order shall remain in effect until the adoption of e-Bike regulation by the Department and/or the repair of North Ridge Trail.
7. Nothing herein shall be construed in derogation of other provisions of law, existing contracts or property rights previously granted.
8. This Order has been posted pursuant to the California Code of Regulations, Title 14, Section 4301(i).

So Ordered: \_\_\_\_\_

Inland Empire District  
ORDER # 950-18-001**

Supersedes order #950-16-001  
amended to address Glider Point of Chino Hills State Park

**June 11, 2018**

**Whereas:** The dramatic growth and popularity of UAS within the Inland Empire District has numerous negative impacts to the special resources, park operation, and the unique visitor experiences afforded by the District. UAS are an emergent technology generally inconsistent with the park experience. UAS can have negative impacts on the regional wildlife found within the Inland Empire District. UAS can be noisy and intrusive to natural soundscapes and vistas and present a fire hazard. Further, UAS can interfere with emergency rescue operations.

**Therefore:**

1. To protect wildlife and cultural resources, and for the safety and welfare of visitors and staff; the Park Units in the Inland Empire are closed to the use of Model Aircraft, Unmanned Aircraft Systems (UAS) and Gliders in flight.
2. An exception to this order is the operation of unpowered remote controlled gliders and sailplanes containing no thrust producing mechanisms, providing forward thrust aiding in flight of the aircraft, flown over, to the south and along the west ridge of Glider Point located at Chino Hills State Park. Gliders and sailplanes flown shall not be equipped with any camera or other still image, video, or sound recording devices. Gliders and sailplane operators shall fully comply with all applicable FAA regulations in regard to model aircraft operation.
3. The District Superintendent, or her designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All Exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
4. Nothing herein shall affect any existing private, contractual, and residential or property rights.
5. This order shall remain in effect until the adoption of model aircraft/unmanned aircraft systems/glider regulation by the Department.
6. Nothing herein shall be construed in derogation of other provisions of law, existing contracts or property rights previously granted.

7. This Order has been posted pursuant to the California Code of Regulations, Title 14, Sections 4301(i).
