

PROTECT YOURSELF AND YOUR CHILDREN

How to protect yourself and your children from rabies:

- **Teach your children to respect wildlife, but keep a safe distance. DO NOT attempt to touch, feed, harass or provide shelter for wildlife.**
- **Vaccinate your animals. The San Bernardino County Animal Care and Control Program provide low-cost vaccinations.**
- **Report any bite or scratch from a domestic or wild animal to the San Bernardino County Animal Care and Control Program 24 hour hotline at 1(800) 472-5609.**
- **PLEASE report dead, sick or nesting bats immediately to San Bernardino County Animal Care and Control Program at 1 (800) 472-5609.**
- **If you have any questions or concerns regarding rabies, please contact the County of San Bernardino Communicable Disease Section at (800) 722-4794.**
