

OLD TOWN SAN DIEGO STATE HISTORIC PARK
FOOTSTEPS THROUGH TIME.

An Entertaining, History-based look at Early San Diego.

Come explore early San Diego with your class, your organization, or your friends! Old Town San Diego State Historic Park is offering specially developed tours to delight and educate a variety of groups. We have programs designed to engage students and assist teachers by offering activities that enhance and enrich the historical and cultural goals set out in the California Content Standards. Curious about the architecture, native plants, or the lifeways of the early San Diego settlers? Contact us about a tour that focuses on your groups special interests. Or how about an entertaining romp through Old Town learning about the colorful, contrasting, and sometimes cantankerous people that lived here in the mid-1800s?

Our core program includes a tour of Old Town San Diego State Historic Park, historical activities, stories of the events and residents of early San Diego, and a chance to experience 1800s technology. It features:

- A participatory, leisure learning approach to history.
- A celebration of the accomplishments of the people that lived in and around our community.
- The fun and challenge of discovery.
