## California State Parks Named in ReserveAmerica's "Top 100 Family Campgrounds" Awards Program

California State Parks were named in ReserveAmerica's "Top 100 Family Campgrounds" awards program. ReserveAmerica, a leading recreation reservation and campground management company, announced the winners of their annual "Top 100 Family Campgrounds" awards program.

The winning parks were selected based on testimonials, campground ratings and feedback provided by park rangers, regional park management and campers throughout the year. Nearly 3,000 parks were reviewed and the final 100 campgrounds were determined on specific family-friendly criteria ranging from educational programs and visitor centers to camping amenities and overall beauty and scenery. Factors including the quality and availability of hot showers, laundry facilities, hiking trails, family beaches, radio-free zones, visitor centers, educational programs, children's events and location were also considered.

California State Parks cited include:

Angel Island State Park (in San Francisco Bay)

Humboldt Redwoods State Park (45 miles south of Eureka)

Lake Oroville State Recreation Area (seven miles east of Oroville)
