Temporary 5 MPH Speed Limit on Folsom Lake

FOLSOM: – Due to public safety concerns caused by low water levels, the vessel speed limit on Folsom Lake has been reduced to 5 miles per hour for the entire lake. With the low water levels, there are hazards throughout the lake that cannot be marked and create extremely hazardous conditions for vessel operation above 5 mph. The speed limit will be rescinded once the lake level returns to a safe elevation.

Folsom Lake State Recreation Area Office is at 7806 Folsom-Auburn Road in Folsom. For more information, call (916) 988-0205.
