Eagle Point Campground at Emerald Bay State Park Opens July 1 with Reservations Starting June 28

Emerald Bay State Park's Eagle Point Campground reopens July 1, 2016; reservations can be made beginning Tuesday, June 28 at 8:00 am PST. Please contact ReserveAmerica to book your campsite at www.reserveamerica.com or 1-800-444-7275.

The campground was closed 2012 for facility repairs and renovations. Emerald Bay State Park features majestic views of Emerald Bay, the crystal blue waters of Lake Tahoe, glacier carved granite and Vikingsholm, one of the finest examples of Scandinavian architecture in the western hemisphere, and the "Tea House" on Fannette Island, the only island to be found in all of Lake Tahoe.

Eagle Point Campground features Premium, Standard and Tent Only campsites and is traditionally sold out seven months in advance. This is a rare opportunity to reserve a campsite in one of California's most desirable campgrounds for the holiday weekend and throughout the summer season.

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.
