Dear Ms. Blackwood:

Thank you for the opportunity to review the County of Orange Phased Beach Reopening Plan. The plan is consistent with the Governor's March 19, 2020 Executive Order EO-N-33. Therefore, beaches operated by the County of Orange are permitted to reopen under this beach management plan. Vigilance will be necessary to support successful implementation and prevent unsafe conditions.

Thank you for your ongoing collaboration and leadership during this critical time. We appreciate your commitment to protect the health of the public while providing safe beach recreation.

Sincerely,
