

NOTICE OF PUBLIC MEETING

California Department of Parks and Recreation

November 30, 2017

The California Department of Parks and Recreation (DPR) is seeking feedback on the development of a Public Works Plan (PWP) at Pismo State Beach and Oceano Dunes State Vehicular Recreation Area (SVRA).

DPR currently operates Oceano Dunes SVRA and Pismo State Beach under Coastal Development Permit A-4-82-300-A5. A PWP would promote greater efficiency for DPR to meet obligatory code compliance, provide a diverse range of recreation opportunities, and improve public service facilities. The Coastal Commission reviews and approves PWPs in the same manner as Local Coastal Programs as described in Chapter 6 of the Coastal Act (commencing with Public Resource Code Section 30500).

This meeting offers a forum for the public to learn about the PWP process and provide input about their vision for visitor experiences and recreational opportunities at these park units. This will be the first of several public meetings about the PWP project.
